## SANITY TEST FOR MAN WHO MENACED KING

### MANITOBBANS NOMINATE FOR JULY 27

First Acclamation Reported Is S. S. Garson, Government Supporter in Fairford Constituency; Premier Bracken Candidate in Pas and Hon. E. A. McPherson, Provincial Treasurer, Renominated in Rupert's Land; In Those Ridings Polling Is Deferred Till August 21

Canadian Press  
Winnipeg, July 17.—S. S. Garson, Liberal-Progressive, was elected by acclamation in Fairford constituency when official nominations were received today for the provincial general election. It was the only acclamation reported early this afternoon.

While polling in general is set for July 27, voting in two constituencies—Rupert's Land and The Pas—will be deferred until August 21. Premier Bracken, head of the Liberal-Progressive government, is a candidate in The Pas and Hon. E. A. McPherson, Provincial Treasurer, in Rupert's Land.

There are fifty-three seats in the Legislature.

For Winnipeg's ten seats, the candidates are: Hon. J. S. McDiarmid, Liberal-Progressive; Hon. W. J. Major, Liberal-Progressive; Cecil Rice-Jones, Liberal-Progressive; Paul Bar- dal, Liberal-Progressive; Mrs. M. D. Dyma, Liberal-Progressive; H. D. B. Ketchen, Conservative; R. H. Webb, Conservative; R. W. B. Swall, Conservative; J. A. Barry, Conservative; G. S. Thorvaldson, Conservative; R. J. Farmer, C.C.F.; John Queen, C.C.F.; Mrs. Hyma, C.C.F.; William Ivens, C.C.F.; Beatrice Brigid, C.C.F.; C. G. Stewart, C.C.F.; James Litterick, Communist; L. St. George Stubbs, Independent. X indicates man was a member of the late Legislature.

Besides the five in Winnipeg and Mr. Garson in Fairford, complete nomination reports are expected to show the Liberal-Progressives have candidates in all constituencies.

The Conservatives are led by E. F. Willis.

Social Credit candidates are expected to total from fifteen to twenty.

### ALL GUARDS ON DUTY IN SPAIN

No Leaves For Police While Government Rounds Up Fascists

Madrid, July 17.—Vacations of all civil employees were cancelled and summer leaves of all assault guards and Surete guards were suspended today as the Spanish government tightened its lines of defence against an alleged Fascist plot to overthrow the Left regime.

Assault and Surete guards were ordered to be ready for all eventualities, following last night's seizure of 185 Fascists, "leaders of the Spanish phalanx who have received orders to provoke a subversive movement."

### Peace Talk Next Week In Europe

British-French-Belgian Discussion Is Compromise, With Hopes Voiced Germany and Italy Will Share in Later Conference

Associated Press  
Paris, July 17.—Three Locarno powers, seeking to reconstruct the European peace framework, reached agreement today on three points for a prospective discussion.

Great Britain, France and Belgium have formed an accord, informed sources said, on these points:

1. Representatives of the three powers will meet next Wednesday in a compromise session.
2. The meeting will concern itself with an "exchange of views" rather than a "deliberation" of the Locarno question, which, before the signature by Adolf Hitler's re-occu-

### English Farmers In Protest

The tithe instituted 300 years ago by Queen Anne are bothering British officials today in the form of a critical farm problem that was brought to a crisis by proposals to modify the handling of the entire tithe problem. Some of the thousands of farmers and laborers who would be affected by the change are shown above as they massed in Hyde Park, London, to protest passage of the controversial bill now before Parliament.

### James D. McNiven, Late Labor Deputy Minister, Is Dead

Well-known Resident Who Had Been Here Since 1893 Succumbed at Home Today; Was Notable Leader of Conciliation Between Labor and Capital For Quarter of a Century

James Dugald McNiven, former deputy minister of labor for British Columbia and notable leader of conciliation between labor and capital for a quarter of a century, passed away this morning at 7 o'clock at his home, 1358 Carnew Street, aged seventy-seven years. Despite his advancing years, Mr. McNiven retained an amazing youthfulness and vigor until February last when he suffered a heart attack. Since then he had been confined to his home, and until a few days ago appeared to be well on the way to recovery.

He is survived by his widow, at home, one son, Dr. E. Lloyd McNiven, of this city, and one daughter, Mrs. J. A. McMillan, Minneapolis, Minn., and one brother and three sisters in various parts of Canada.

The remains are resting at the S. J. Curry and Son Funeral Home pending funeral arrangements.

Mr. McNiven was born in Bradford, Ont., on March 11, 1859, the son of Donald McNiven, a Scotsman who had settled there as a merchant tailor after taking his discharge from the Black Watch, when that famous regiment was on garrison duty at Halifax. His mother was a Nova Scotian of Scottish descent.

When a small boy, his parents moved to Caronbrook, now Dublin, in Perth County, where he had his first schooling in a typical one-room rural school. The settlement was overwhelmingly Roman Catholic, the McNivens being Protestants.

### Shrine Parades In Vancouver

Drills Today Seen By Thousands of Citizens; Larger Parade Tonight

Canadian Press  
Vancouver, July 17.—Thousands of citizens and visitors from outside points jammed Vancouver streets today to witness the parading Shrines who are visiting here following their convention in Seattle.

A thirty-piece band of Glens Temple and a fifty-piece band of the Anser Temple, Springfield, Ill., led the parade of 300 uniformed men in green, gold and red Arabic uniforms as they went through colorful drills.

Another larger parade will be held this evening when 350 members of the Anser Temple, Springfield, Ill., led the parade of 300 uniformed men in green, gold and red Arabic uniforms as they went through colorful drills.

Shrine temples from all parts of Canada and the United States will be represented here today and tonight.

### Legion Head Talks With King

Canadian Press  
London, July 17.—Brig-General Alex. Ross of Yorkton, Sask., president of the Canadian Legion, was received in audience today by the King at Buckingham Palace.

### Assailant's Father Grieves

While G. A. McMahon in London Jail Aged Parents Suffer in Glasgow

Associated Press  
Glasgow, July 17.—John Bannigan, grief-stricken father of George Andrew McMahon, sobbed today "to think one of my family would come to this."

He said his son, held in London for an alleged attempted attack on King Edward, changed his name from Jerome Bannigan to McMahon three years ago.

"It has been ten years since I last heard from Jerry," the eighty-year-old Irishman, almost blind, declared. "What has happened to him in the interval I do not know."

He asserted, fingering a newspaper containing a picture of his son held by police.

"I must keep the news from my wife," Bannigan said. "She has been bedridden for thirteen years, and one never knows what effect the shock might have."

AMONG JOBLESS  
The aged Irishman said he was unemployed and lived in a flat in a tenement building near the working class district of the shipbuilding section of Glasgow. He came from Ireland forty years ago.

The Bannigans have two sons, Jerome, and Patrick, who is a priest in a Dublin church, and one daughter, Jerome was born in County Tyrone, Ireland, but the others were born in the Govan district of Glasgow.

UNUSUAL OUTLOOK  
"Jerry seldom mixed with the youngsters in school," his father continued. "That I think, gave him an unusual outlook on life."

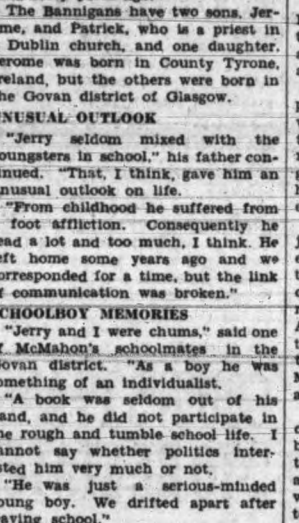

"From childhood he suffered from a foot affliction. Consequently he read a lot and too much, I think. He had some years ago and we corresponded for a time, but the link of communication was broken."

SCHOOLBOY MEMORIES  
"Jerry and I were chums," said one of McMahon's schoolmates in the Govan district. "As a boy he was something of an individualist."

"A book was seldom out of his hand, and he did not participate in the rough and tumble school life. I cannot say whether politics interested him very much or not."

"He was just a serious-minded young boy. We drifted apart after leaving school."

### Facing Trial

JOHN S. FARNSWORTH  
Associated Press  
Washington, July 17.—While federal agents delved deeper into the alleged espionage activities of John S. Farnsworth today the former navy officer asserted his contact with Japanese was made solely in an effort to get a job.

Farnsworth, former lieutenant-commander, yesterday denied to reporters that he had sold a copy of "The Service of Information and Security," a confidential U.S. naval publication, to an agent of the Japanese navy as charged in the warrant that lodged him in jail.

### G-MEN WIN IN NEW TILT

U.S. Secret Service Men Who Investigated Them Face Disciplinary Action

Associated Press  
Washington, July 17.—J. Edgar Hoover's G-men emerged victorious today from what was reported to be an undercover conflict between them and the secret service.

Summoned to headquarters by superiors, several secret service men were en route in from fields today to explain reports that some of their number had engaged in an investigation of the G-men's methods in hunting down western "public enemies."

Officials of the Treasury, which has jurisdiction over the secret service, emphasized that any such investigation was unauthorized. They indicated that if the reports proved correct, they were ready to apologize to Attorney-General Cummings and to take drastic disciplinary steps against the secret service men in the event Mr. Cummings should insist on such action.

Mr. Cummings, Hoover's superior, recently voiced suspicions that there had been some "ill-advised" activity by the secret service, and warned that anyone trying to get Hoover's scalp would have to contend with the Attorney-General himself.

In Response to Police Invitation Many Come Forward to Tell What They Saw When Revolver Fell Near King's Horse as He Rode By; Prisoner Declares He Threw Weapon and It Was Not Knocked From Hand; McMahon Put in Hospital for Mental Observation

Canadian Press and Associated Press  
London, July 17.—George Andrew McMahon, whose loaded revolver menaced the King yesterday, said today the weapon was not knocked from his hand in the struggle on Constitution Hill, but that he deliberately threw it into the street near the King as the monarch rode by at the head of a military parade.

This version was relayed by an authoritative source, who said the bald, club-footed thirty-four-year-old Irishman had told police he never had the least intention of shooting the King.

McMahon was taken to a hospital ward for mental observation and medical treatment.

In an effort to get a clear account of the incident, Scotland Yard sent out a call for volunteer witnesses. Scores of spectators responded, streaming in to be interviewed by police officials.

The Yard's call read:

"In connection with the incident which occurred during yesterday's procession, the police request any persons who were in the immediate vicinity of the man arrested and who witnessed the occurrence to communicate with Scotland Yard as soon as possible."

### NATIVE SONS DENY SWING

Canadian Organization's Head Says Anti-British Report Unfounded

Canadian Press  
Toronto, July 17.—Dr. James O'Brien, former president of the Native Sons of Canada, has announced he is resigning as a member of the organization.

"The constitution of the Native Sons was against separation from the British Commonwealth," he said in giving reasons for his resignation. "Recently literature was printed which would cause any sane person to believe the order was against a British connection."

DENIAL ISSUED  
Canadian Press  
Winnipeg, July 17.—R. W. Carr of Winnipeg, national president of the Native Sons of Canada, denied today the organization had distributed literature opposing a British connection as stated by Dr. James O'Brien of Toronto.

"We have on many occasions, both through the medium of the public press and society literature, proclaimed unswerving allegiance to the reigning sovereign," he said.

Mr. Carr has been president for the past year.

### ROUND-UP IN LONDONDERRY

Six Men Arrested as Irish Republican Plotters; Explosives Seized

Associated Press  
Londonderry, Northern Ireland, July 17.—Explosives described as "enough to destroy a city" were seized today by police in spectacular raids.

Six men were taken into custody, and quantities of gelignite (a certain dynamite), firearms, ammunition and Irish Republican literature were confiscated.

Police gave the names of the men held as Thomas Carlin, James Cowie, Sean Dolan, Hugh Mater and his sons, Hugh and Daniel Mater.

A number of houses were entered, and Republican documents were found in several of them.

Increasing activities of the Irish Republican Army in the Irish Free State have stimulated vigorous measures by authorities in Dublin during the last few weeks.

There had been no recent reports until today of agitation in northern Ireland, however.

Irish Republicans have advocated immediate establishment, by force, of a republic in the British-ruled north, and have urged Great Britain, and the incorporation of northern Ireland in the new state.

### South Chinese Ask Japanese Support

Reports Say Canton Leaders Are Seeking Aid Against Northern Chinese Forces

Associated Press  
Hongkong, July 17.—The southern Chinese Government, its strength seriously impaired by defections of leaders, was reported negotiating today for Japanese support.

The consequence of such negotiations was not immediately ascertained, since the Southwest's asserted purpose in mobilizing its men and military equipment was to oppose alleged Japanese aggression in the republic.

Northern troops moving southward occupied the city of Suichow, in northern Kwangtung province, as southern forces withdrew. The southerners tore up railway tracks and blew up bridges as they retired toward Canton.

### VIOLENT TREMOR SHAKES COLOMBIA

Great Cloud of Dust Is Seen Over One Town

Associated Press  
Pasto, Colombia, July 17.—A violent earthquake at noon today caused serious damage here and in neighboring villages of Narino department.

Communications were interrupted.

Reports from a small hamlet near the city of Tuquerres said a huge dust cloud was seen over Tuquerres.

**Many Fires In Alberta Today**

**Bush Outbreaks Fought While People Look For Cooler Weather**

Canadian Press  
Winnipeg, July 17.—Warm weather still prevailed on the prairies today as crops showed further deterioration through lack of moisture.

Manitoba's cooler night was followed by rising temperatures and Saskatchewan and Alberta points reported warmer weather. Scattered thunderstorms were again forecast.

Wheat prices moved higher on the Winnipeg Grain Exchange as good buying developed from adverse crop reports in Canada and the United States and heavy export business.

**MANY FIRES FOUGHT**

Edmonton, July 17.—Bush fires continued today to be a menace in Alberta.

Present extent of the worst fire at present in the province—that which has raged for three days in the Saunders district, forty miles west of Rocky Mountain House—remained unknown because of its location, which requires a twenty-four hour saddle trip to reach, but latest reports declared it was still spreading.

**FIRE AT SAWMILL**

Considerable timber was destroyed yesterday at Winfield, sixty miles southwest of Edmonton, when fire broke out in the machine shop of the Drader sawmill, destroyed several units of that plant with a loss of \$50,000, and then spread to the bush.

**FIRE OVER LARGE AREA**

Canadian Press  
Sault Ste. Marie, Ont., July 17.—

**Fire in the Goulais Lake forest region and about the headwaters of the Goulais River continued to spread today and covered an area of thirty-six square miles. The fire yesterday jumped Morrison Lake, three-quarters of a mile wide.**

Cooler weather and gentler winds have helped to ease the situation generally, but the hazard, exceptionally higher, will remain until rain comes.

**LIGHT RAINS FALL**

Canadian Press  
Sudbury, Ont., July 17.—A heavily overcast sky, with a few sprinkles of rain, cheered forest fire-fighters in the Sudbury district today. General rain seemed certain before the end of the day.

The Sudbury office of the Ontario forestry branch announced after a survey that twenty-three of sixty bush fires in the district were now out, or definitely under control.

**Vimy Group Starts Voyage**

**Liner Carries 1,000 From Montreal, Following 5,000 Who Left Yesterday**

Canadian Press  
Montreal, July 17.—Bound for the battlefields of France to pay tribute to their lost comrades, the remainder of Canada's pilgrims to Vimy Ridge sailed today from Montreal with the Dominion's best amateur athletes, seeking honors at the Olympic Games in Berlin.

About 1,000 veterans, wives and children, waved farewell from the liner Duchess of Bedford, her decks dotted by the soldiers' many-colored tunics and the red blazers of the Olympic squad members.

**WHISTLES SOUND**

There was the usual tossing of paper streamers and shrieking and roaring of whistles, but the scene was in sharp contrast to yesterday's, when thousands lined the piers to bid bon voyage to more than 5,000 men, women and children who comprised the main Vimy contingent, sailing on the liners Montrose, Montcalm, Acania and Antania.

**HEAT DEATHS NEARING 4,500**

**Continued Scorching Predicted For Greater Part of U.S. Drought Area**

Chicago, July 17.—Weather bureau here today predicted cooler weather and scattered showers for the northern central states, but saw only continued heat and no rain for greatest portion of parched Middle West and northwest. Heat deaths neared the 4,500 mark today.

Other drought news: Washington—The AAA announces it will start buying of cattle at three centres next Monday if drought area farmers are forced to dispose of cattle in unusually large numbers.

Alton, Ill.—The Mississippi River "runs a temperature" of 92 degrees, setting an all-time record.

Washington—The Resettlement Administration announces plan to buy 4,000,000 acres in the drought-stricken northwest in its land use adjustment programme.

Chicago—July corn futures advanced 4 cents—the maximum for any one day's trading—as market opened, duplicating yesterday's limit rise, but falling at times cut the gain about in half.

A withering sun in a cloudless sky glared down on the vast "sweater belt" of the midwest today in continuation of its fourteenth day heat-drought siege. Loss of human life still mounted. Crop damage, estimated at more than \$1,000,000,000 several days ago, increased.

**SHOWERS PREDICTED**

Light to medium local showers and cooler weather were forecast for North Dakota, where much of the grain was beyond help, for Northern Michigan, extreme northern Wisconsin and the western part of upper Michigan.

Higher temperatures, with the mercury well over the 100 mark, was the dreary prediction for South Dakota, Nebraska, Kansas, Southern Minnesota, Iowa, Missouri, northern and central Illinois, Indiana and southern Wisconsin.

**TEN YEARS FOR SPY IN FRANCE**

Associated Press  
Paris, July 17.—A ten-year prison sentence for espionage was imposed today on Baron Serge de Stackelberg, one-time Paris military attaché of the imperial Russian government.

The former Russian officer, a military expert, was charged with supplying Germany with extensive information on the French army.

vented by visitors from working today with the firm which employs him as a travelling salesman. He was formerly in the navy and served throughout the Great War.

**NAME CHANGED**

McMahon's eighty-year-old father, John Bannigan of Glasgow, said there his son's original name was Jerome Bannigan, but that it was changed three years ago.

One official stated the exact charge on which McMahon would be tried would depend on the evidence gathered.

Under the present charge, that of unlawful possession of a loaded revolver with intent to endanger life and property, the prisoner faces a maximum penalty of twenty years' imprisonment. However, the official said, the charge may be made more or less severe.

Aiming a gun at the sovereign is punishable by imprisonment with transportation overseas or imprisonment with flogging under an act dating back to the attempted assassination of Queen Victoria in 1882.

An authority said that this act, although still on the statute books, had never been put into operation.

**MET CASUALLY**

McMahon's friends, who were responsible for his description as a "social reformer," declared he formerly was associated with Mrs. Violet Van Der Elst, militant opponent of capital punishment. The wealthy widow's first word on the matter, however, was "I don't know McMahon."

Later, however, Mrs. Van Der Elst qualified this, saying she had met McMahon "only casually." She said: "I had virtually nothing to do with the man at all."

Police said unofficially they believed the "protest" which was alleged to have inspired McMahon had no connection with the hanging this week of Mrs. Charlotte Bryant, the mother of five children, at Exeter.

**HEARING NEXT FRIDAY**

Charged with "possessing a revolver with intent to endanger life," McMahon appeared yesterday in the Bow Street Police Court before Sir Rollo Campbell Graham and was remanded for eight days, to be tried on the charge of possession of a revolver, on the day after the revolver incident.

**APARTMENT SEALED**

In another section of the city detectives entered his apartment to examine and seal up its contents. McMahon lived with his wife in the Westbourne Terrace in the Paddington district of London. A native of Tyrone, Ireland, he resided with his parents in the Govan district of Glasgow for many years.

**KING REMAINS CALM**

The King—apparent object of the unsuccessful attack—seemed the least perturbed over the incident. Only for an instant did his rigid bearing relax as the pistol clattered to the roadway almost under the hoofs of his sedate charger Cobham.

Police hurried McMahon through the crowd as the King continued to ride back to Buckingham Palace from Hyde Park, where he had presented colors to six battalions of foot guards and had made a stirring plea for peace.

**CONSTABLE COMMENDED**

Praise also was heaped on Special Constable Frank Flood—like Dick an unpaid assistant of the uniformed police. Riding near the crowded curb, Flood saw the pistol raised above the shoulders of the crowd. Reining his horse, he placed himself squarely between McMahon and the King until four husky officers gripped the tense figure and carried him away, half lifted above the heads of the crowd.

**NAME WITHHELD**

Authorities declined to name the "woman in grey," who some witnesses said was the sister of McMahon's hand. "Accompanied by a fair-haired girl she was taken to a police station to tell what she could of McMahon's actions. Later a crowd cheered her as, shielded from interviewers, the women were hastened to a car and driven from the station.

Possibly, it was believed, the authorities might permit the name of the woman-hero to be disclosed, when McMahon faces trial.

**POLICE CONFIDENT**

Detective Inspector John Sands, who assumed supervision of the investigation, conferred with Sir Philip Game, Commissioner of the Metropolitan Police, and then hurriedly reported to the Home Secretary and seek further details of the protests. McMahon is declared to have made a statement of "hallucination and grievance."

In court a solicitor who appeared in defence of McMahon said his client had not proposed to assassinate the King.

**CHEERS IN PARLIAMENT**

Both Houses of Parliament yesterday heard in hushed silence official statements of gratification that the sovereign was not harmed, then burst into cheers.

In court, the people, who had gathered in the National Anthem was played. The National Anthem was played. He always talked to me with affection for the royal family."

Mrs. McMahon, who works in a dress shop and who was seen with her husband since breakfast time yesterday, said she "spent the night alone in their flat in a Victoria house in the upper end of the fashionable Westbourne Terrace district."

**MESSAGE TO KING FROM CANADA**

Ottawa, July 17.—Prime Minister King yesterday cabled to London an expression of regret at the apparent attempt on the life of King Edward and of relief that the attack failed. The message, addressed to Hon. Vincent Massey, Canadian High Commissioner, read:

"I have awaited further details of press reports concerning attempt on His Majesty's life before asking you to communicate with the royal palace. Will you please ask Lord Wigram to express to His Majesty the King the deep regret of His Majesty's subjects in Canada that there should have been any attempt to do the King any injury."

"Also kindly express how deeply relieved all Canadians are to know that any intention of the king, wholly failed in its purpose and that His Majesty has not been injured in any way."

**FOLDING BED CAUSES DEATH**

Canadian Press  
Edmonton, July 17.—Police reconstructed today the circumstances surrounding the death of Mrs. Albert Phelan, whose body was found in a folding wall bed in her home Wednesday.

Mrs. Betty Hill, forty-six, was arrested when Mrs. Phelan's husband, a city fireman, arrived home and found the body of his forty-eight-year-old wife inside the bed and jammed against a wall. She died of suffocation.

As reconstructed by Robertson Sutherland, chief of detectives, the two women had been in bed. Police said they had been drinking. Miss Hill had got out of bed, said Sutherland, and reached for an article. The bed closed, Mrs. Phelan inside of it. Miss Hill told police she had tried futilely to open the bed. The body lay inside until Phelan arrived from work.

**B.C. HOLSTEINS SET NEW RECORD**

Canadian Press  
Toronto, July 17.—Four cows on the Colony Farm, a provincial government farm in British Columbia, have established a herd record for Holstein cows by winning first in all four classes in 356-day milk and butter production.

The Holstein-Friesian Association of Canada announced today that of the four leaders the most sensational record, age considered, was made by a two-year-old heifer named Colony Ladie Colantha. She produced 18,155 pounds of milk and 882.5 pounds of butter.

**GREAT BLAST SET OFF IN THE URALS**

Associated Press  
Moscow, July 17.—Soviet engineers fired a blast of 1,850 tons of high explosives today to expose rich deposits of coal in the Ural Mountains for surface mining.

The blast was set off near Chelabinsk, whose inhabitants retired three miles to escape injury.

The explosion opened a ditch five-eighths of a mile long and seventy-feet deep. The coal bed at that point is known as the Korkino deposit and is estimated to contain 7,500,000 tons.

**BEQUEST AWAITS YOUNG WOMAN**

Ottawa, July 17.—A small fortune lies in England while a mother searches for her daughter so they may share it. Mrs. Georgina Smith of Halifax and formerly of Ottawa, arrived here today in search of her daughter, Margaret Lillian, whom she has not seen for eight years.

"I last heard from my daughter in 1924 and she was then in Halifax," she said. "Through my husband, I inherited \$10,000 and my daughter inherited \$8,000. The money was to be divided when she came of age on May 27 of this year."

**KING GIVEN POPE'S CONGRATULATIONS**

Associated Press  
Castel Gandolfo, July 17.—Pope Pius today instructed Cardinal Pacelli, Secretary of State, to convey congratulations of the Holy See through the British legation to King Edward VIII on his escape yesterday from assassination.

**GENERAL AT CANTON SLAIN**

Shanghai, July 17.—Gen. Chew Wei-chow, brother of the Cantonese warlord, Gen. Chen Chi-tang, was assassinated at Canton today, the Central News Agency reported. The man murdered was commander of Gen. Chen's personal guard.

## SEATTLE SEES CANAL PARADE

Decorated and Illuminated Boats in Great Procession For Shriners

Associated Press  
Seattle, July 17.—Seattle has had its first illuminated canal parade, but nothing to equal last night's Mystic Shrine pageant in the Lake Washington Canal.

Thirty-six gaily decorated entries—at least one representative of every kind of watercraft in the Puget Sound district, plus eleven elaborate floats and six decorated naval motor sailers, were in the sailing orders schedule when a squadron of naval planes zoomed down over the Montlake and Seattle Yacht Club area to start the parade.

Shriners' Imperial divan were honor guests at the ten-mile long parade from Lake Union into Lake Washington between tiers of special seats built to accommodate 30,000 spectators.

Special lighting effects on the canal sides and the Montlake Bridge and batteries of colored flares and spotlights were arranged to pick out and glorify the craft, before the grand finale, a pyrotechnic display.

Thousands of spectators lined the lake shores for hours ahead of the pageantry, getting free vantage points from which to witness the spectacle. Marine parade marshals placed the naval destroyer Long at the head of the parade.

The state museum furnished authentic Eskimo kayaks and South Seas outrigger canoes.

DETROIT NEXT YEAR  
Yesterday Imperial Council officials announced Detroit, home city of the new imperial potentate, Clyde L. Webster, will play host to Shriners' nobles next year.

## FOOD SUPPLY IN U.S. AMPLE

Reserves For Next Twelve Months Estimated at 3 Per Cent Lower Than in Last

Associated Press  
Washington, July 17.—A special Agricultural Department survey yesterday estimated the United States food supply for the next twelve months at about 1 per cent less than in the same period of 1934-35, and 3 per cent less than that of 1935-36, but still appearing ample for domestic needs.

Reduced feed supplies in prospect this year, the bureau said, may result in a reduction in production of meats other than poultry in 1936-37 to about 4 per cent below the amount produced in 1935-36. It was indicated that production would be about 25 per cent greater than last year.

Supplies of dairy products during the twelve months ending June, 1937, are expected to be slightly smaller than those of 1935-36, the largest on record. Increased supplies of poultry meat and eggs were forecast unless the drought reduces feed supplies to a point where feed prices are raised to a very high level.

Because of an increase in acreage, the bureau predicted vegetable production probably will be as large as last year.

## Vimy Leader At London Dinner

Solidarity of Empire Stressed By Brig.-Gen. A. Ross at Banquet

Canadian Press from Havas  
London, July 17.—Brig.-Gen. Alexander Ross of Yorkton, Sask., Dominion president of the Canadian Legion of the British Empire Service League and head of the Canadian pilgrimage to Vimy Ridge, was guest of honor at a dinner given by the national council of the service league and the national executive of the British Legion at the Hotel London yesterday evening.

"The Canadian people will always be loyal to the crown and to the Empire," he said.

MESSAGE OF PEACE  
"We will visit our comrades in France and Belgium with a message of international peace and goodwill. We want no recurrence of war, but whatever comes," he said, "it will be the duty and privilege of the Canadian people to stand at all times for the unity of the Empire, which is fundamental for the safety of the world."

King Edward has accepted the post of Grand Patron of the British Empire Service League, a title held previously by the late King George.

## Woman Held Back As Duke Inspects Group

Associated Press  
London, July 17.—The Duke of Kent, King Edward's youngest brother, was involved yesterday in an incident at Plymouth while the sovereign escaped a pointed pistol here.

While the Duke was inspecting members of the British Legion in Guildhall Square, a woman broke the deep police cordon and ran toward the Duke, apparently to shake his hand.

The former soldiers restrained her and police rushed forward to return her to the crowd, where she vanished.

W. J. S. LOCKYER DIES  
Sidmouth, Devonshire, July 17 (Canadian Press from Havas).—William James Stewart Lockyer, sixty-eight, director of the Sir Norman Lockyer astronomical observatory on Salcombe Hill, Sidmouth, South Devon, died suddenly in the observatory yesterday.

## WATER FOR HORSES AT GAS STATIONS

Associated Press  
Chicago, July 17.—The gasoline industry has gone "softie" toward its one-time competitor, the horse. Having almost eliminated old Dobbin as a business rival in the transportation field through trucks, the gasoline industry now is taking compassion on its erstwhile foe.

At 600 northern Illinois gasoline stations this summer horses will be regular and welcome visitors, effective immediately.

As a result of a conference between George A. H. Scott, secretary of the Illinois Humane Society, and oil company officials the horses now are privileged to stroll up to the stations any time and receive a bucket of cool, fresh water on the house.

Officials said the service was provided because more extensive drinking facilities were acutely needed in Chicago.

## WEST VANCOUVER MAN IS DROWNED

Canadian Press  
West Vancouver, July 17.—Ernest J. Bolden, thirty-seven, drowned in the waters of English Bay yesterday

## STARVING MAN ATE TROUSERS

Canadian Press  
Georgetown, British Guiana, July 17.—Exhausted and semi-delirious, James O. Fenton, forty-seven-year-old tractor railway foreman, was found by a search party yesterday after being lost five days in bushland near Wismer, sixty miles up the Demerara River from here.

Fenton told the rescuers he had become so hungry he soaked his trousers in a stream and ate them. He also shot a bird and ate it raw after drinking its blood.

## MORO CHIEFTAINS PROCLAIM SULTAN

Associated Press  
Manila, P.I., July 17.—Rajah Muda triumphed today when Moro chieftains proclaimed him Sultan of Sulu in a solemn, colorful ceremony at Maibun, but his opponents were discreetly absent from the coronation.

Prayers, parading and feasting signalled the elevation of the late Sultan Kamali's brother to spiritual leadership of 500,000 Mohammedan tribesmen of the southern Philippine archipelago.

## Verdict on Death Of Prison Guard

Canadian Press  
Kingston, Ont., July 17.—A coroner's jury yesterday evening held convict Chester Crossley responsible for the death of Guard John J. McCormick of the Kingston Penitentiary. The jury found McCormick died of knife wounds in the abdomen inflicted by Crossley.

The assault on McCormick was made last Saturday shortly after Crossley had slashed Jack Toomey, a male prison nurse who is still in a hospital in a serious condition, eyes witnesses told the jury.

Richmond Stables Entry Captures Feature Event at Brighouse Track

Brighouse Park, Vancouver.

July 17.—Simo in the Richmond Stables romped home an easy winner in the Coquitlam Handicap, yesterday's feature race, with Don Grant's Help Yourself placing second.

Simo was close to the front at all times and forged ahead when Rose Camp, who finished third, tired. Help Yourself closed strong but did not seriously threaten the winner. Mutual tickets on Simo paid \$4, \$3.25 and \$2.35.

The daily double, from Thrillwisp in the second to Flying Craig in the third, paid \$396.85, and the one-two bet, Jim X and Brown Hills, in the sixth race, returned \$93.90.

Two horses fell in the fourth, a hurdles race, and Athey remounted Noky and placed third. Hodge Podge was first, with Bing Crosby's Lindun second. Hodge Podge paid the highest price of the day, \$37.40, \$22.40 and \$3.65.

Suneur trailed the field for three-quarters of the seventh, then made a gallant bid, but just failed to get by Shasta Dream in a driving finish. Lampasas finished in show position.

Vancouver, July 17.—Music festivals in their present form had almost out-run their usefulness, Mrs. Bertha Dillon, Kamloops, B.C., said in an address to the Canadian Music Teachers' Federation yesterday.

"They do not increase knowledge or increase the essential appreciation of good music," she said. "If they are to continue they ought to be operated on the basis of much wider

### C.G.I.T. Camp Opened At Sooke

About Forty Girls To Holiday At Glinz Lake

From thirty-five to forty girls between the ages of twelve and eighteen, coming from Greater Victoria and Vancouver Island, left this afternoon to spend eleven days in the out-of-doors at Glinz Lake, Sooke, at the annual Canadian Girls in Training summer camp.

An able staff of leaders has been secured, including Miss Lillian Parfitt, director of the camp; Mrs. E. W. Horton, R.N., who will be the camp nurse and senior group leader; Miss Lillian Stokes, sports officer, who will be in charge of the recreational activities of the camp; Mrs. R. N. E. Harris, Miss Barbara Dawson and Miss Veronica Stevenson, group leaders. Mrs. Morris, who has been the efficient cook at the Y.M.C.A. camp for the past two weeks, will remain for the girls' session.

A very fine programme has been prepared and included in the daily schedule will be the Morning Watch on the theme, "God and your Neighbor." An hour of Bible study will be held every morning and the course for this year's camps as issued by the National Girls' and Boys' work boards of the Religious Education Council of Canada, is a study in the Old Testament, entitled, "Forward Through the Ages." Another Bible study course on "What Does It Mean to be a Christian?" will also be given. This is especially adapted for older teen-age girls.

Interest groups will be held for an hour each day and these will include an interesting study on "Charm," Puppets, and Camp Craft.

Vesper services will be held each evening followed by the camp-fire programme, which will include folk songs, hymns, story telling, legends and dramatics.

Most of the afternoon will be devoted to recreation, including swimming, boating and games, and with this all-round programme, every girl is assured of eleven happy days of fellowship and fun.

On Saturday afternoon, July 24, parents and friends of the girls and leaders will be made welcome at the camp site, where the girls will give them an idea of camp life and display the articles made in the interest groups.

### GARDEN PARTY AT MRS. BENNING'S

Many interesting attractions will await those who attend the forthcoming garden party of the League of Nations Society on Wednesday afternoon, July 22, at the residence of Mrs. J. W. Benning, 1327 Rockland Avenue.

In addition to viewing the beautiful and spacious grounds, the visitor will find various forms of entertainment, including ballet dancing, pseudo-gambling games arranged by the Kinship Club, bridge, also afternoon tea and ice, under the direction of Mrs. J. W. Gibson and the executive of the Local Council of Women. Numerous stalls will offer a miscellaneous collection of articles for sale.

### Weddings

#### BUTTERFIELD—AKHURST

At a quiet ceremony at the home of the bride's parents on Wednesday afternoon, Rev. E. F. Church united in marriage Ethel May, elder daughter of Mr. and Mrs. Edward Akhurst, 1238 Carnegie Street, and Mr. Ray Butterfield, son of Mr. and Mrs. C. M. Butterfield of Veteran, Alta. The house was prettily arranged with summer flowers, and Miss Joyce Stamp of Calgary, cousin of the bride, played the wedding music.

Mr. Akhurst gave his daughter in marriage. She wore a charming frock of white lace and a bridal veil arranged with orange blossoms and carried an arm bouquet of pink roses, white carnations and sweet peas. Attending her were her sister, Miss Elizabeth (Montie) Akhurst, in a pale yellow frock of silk net over tulle, and Miss Ruth Butterfield, sister of the groom, in a similar frock of pastel green net. The former carried a bouquet of blue scabiosa and yellow snapdragons, and the latter a sheaf of pale pink gladioli and scabiosa. Mr. Gorden Akhurst supported the groom.

Relatives and a few intimate friends were present at the service and the reception which followed. Refreshments were served from a table covered with a handsome lace cloth and centred with the wedding cake, and adorned with vases of white and yellow daisies and tall yellow tapers. After a honeymoon spent on the island, Mr. and Mrs. Butterfield will leave for Veteran, Alta., where they will reside.

For travelling the bride chose a hand-knitted set of peach boucle de laine, with which she wore a white topcoat and hat and white accessories.

Among the guests at the wedding were Mrs. E. Vetter, Veterans; Miss Frances Dockerill, Vancouver, and Miss Mary Stewart, Astoria, Ore.

### An Eastern Marriage

Mr. and Mrs. Vernon Murray, who, following their marriage in Trinity United Church, Toronto, left for Creston, B.C., to make their home. The bride was Miss Margaret Carpenter, daughter of Mr. and Mrs. R. G. Carpenter of Toronto.

### Society

Mr. C. E. Wilson, the Uplands, is spending a few days in Seattle.

Miss Enid Clark of Vancouver is visiting here as the guest of Mr. and Mrs. E. H. Cabell, Laburnum Road.

Mrs. A. M. Cross, Cypress Park, Vancouver, is visiting Mr. and Mrs. P. G. Wyatt, 2028 Foul Bay Road.

Miss Phyllis Hobbs of this city has been visiting her uncle and aunt, Mr. and Mrs. K. J. Oldfield, at Soanome.

Miss Jean Stanhope, Victoria, is spending a holiday with her parents, Mr. and Mrs. P. W. Stanhope, Quamichan Lake.

Miss Dorothy Calvert, of Ladner, B.C., who is attending the Summer School in Victoria, is the guest of her aunt, Mrs. Hetherington, Burnside Road.

Mr. and Mrs. P. C. Shaw and Mrs. Masterton of Victoria are the guests of Mr. and Mrs. M. J. Sheedy in Calgary.

Mr. and Mrs. Andrew Hutton of San Rafael, California, are spending a few weeks here with Mrs. Hutton's sisters, Mrs. John Leeming and Miss Hardie.

Mrs. Edward W. Grayson and her brother, Mr. John C. Macdonald, are guests of their aunt, Mrs. G. A. Armstrong of Fernwood Road, and will be joined the last of the week by Mr. Grayson.

Mr. and Mrs. Harry Smith of Edmonton, accompanied by Master Robert Smith, have arrived in Victoria on a visit. They are the guests of Mr. H. H. Houry of 86 Dallas Road.

Mr. and Mrs. Cleve G. White, Terrace Avenue, have returned home from Vancouver after attending the barristers' convention. Mr. and Mrs. C. H. O'Halloran have also returned from the convention.

Mr. Rowland Horsey will arrive from Vancouver tomorrow to attend the Micklethwait-Semmes wedding and will spend the week-end here with his parents, Mr. and Mrs. E. N. Horsey, Joan Crescent.

Mr. and Mrs. Fred Jeffery of Maple Bay, who have been visiting here with Mrs. Jeffery's son-in-law and daughter, Lieut.-Colonel Aubrey Kent and Mrs. Kent, Douglas Street, have returned home.

Mr. and Mrs. Charles de Macedo, accompanied by their daughter Vera and son Charles, have left for Vancouver to perform their act, "Chanticleer," for the B.C. Music Teachers' Federation Convention garden party at the home of Mrs. J. J. Thompson, Shaughnessy Heights, tomorrow.

Dr. and Mrs. J. C. Horton and Miss Priscilla Horton of Los Angeles arrived on the Empress of Japan from Honolulu, and will spend some weeks at The Forest Inn, Shawnigan Lake, before returning to California. Dr. and Mrs. Horton and their daughter made an extended stay on the island two years ago, and are renewing acquaintances and meeting friends.

A tea for delegates of the first convention of Canadian Federation of Music Teachers, which is in session at Hotel Georgia, was given in the private dining-room of Jericho Country Club on Wednesday. A charming arrangement of pink and mauve sweet peas intermingled with gypsophylls centred the tea table and

### Royal Family Will Take Holiday

King and Brother Will Visit Continent Shortly

Canadian Press from Havas

London, July 17.—Almost every member of the Royal Family will be away from London next month.

The King and the Duke and Duchess of Kent will spend their vacations on the continent; Queen Mary, the Duke and Duchess of York and the Duke and Duchess of Gloucester in the country.

As previously announced, King Edward will leave London July 26 for Vimy, France, where he will unveil the memorial to Canada's war dead.

Immediately afterwards he will go to Cannes, where he will stay during the month of August. On his return the King is expected to spend a fortnight at Balmoral Castle in Scotland. The Duke and Duchess of York will also spend their vacation at the Scottish estate.

Queen Mary will remain a short while at Sandringham and then will stay two weeks with the Princess Royal at Harewood House. At the end of September, the Queen will return to London to take up residence at Marlborough House.

The Duke and Duchess of Kent will visit Biarritz, Jugoslavia, where they became engaged two years ago. They will be the guests there of Prince and Princess Paul.

Although the Duke and Duchess of Gloucester have not yet made any definite plans, they are expected to spend some time at Aldershot.

### Victoria West Girl Guides Enjoy Camp

The 3rd Victoria West (C.W.L.) Company of the Girl Guides spent ten days, from June 28 to July 7, at camp at Prospect Lake. Those in charge were the captain, as commandant, Miss Ruth Adams as quartermaster, and Miss Mary Morry as assistant quartermaster.

The Guides present at the camp were Dorothy Davis, Antoinette Sparrow, Marie Longpre, Macrina Booth, Frances Daniels, Sybil Waigh, Sheila York, Joan Turner, Joan Danes, Ella Hood and Margaret Morry.

The time, apart from routine camp work, was profitably spent in learning swimming, life-saving, folk-dancing and country hiking.

The company wishes to thank Mrs. Morry for the use of the campsite, and also the parents and friends of the Guides who so kindly provided transportation and other kindnesses to the girls during their stay at camp.

Mrs. Lewis Neelands, 1998 Lullie Street, has received word of the marriage of her sister, Miss Ethel Lambert, formerly of this city, to Mr. Leonard Storer of London, England. The marriage took place very quietly in London on Saturday, June 27.

In honor of Mr. G. Reed of Vancouver, who is visiting in Victoria with friends, Mrs. Charles Rowell and Mrs. J. Gorman entertained with bridge and mah jong this afternoon at the home of Mr. John Cameron, Sidney. Five tables were in play.

Mrs. F. L. Stephenson, who has been visiting her daughter, Mrs. H. S. McLeod, in Vancouver for the last few days, will return tomorrow to her home in this city. Mrs. McLeod entertained at tea in honor of her mother yesterday.

Miss Dixie Nickell and Mrs. H. S. Winter, wife of Major Winter, R.C.A., of Los Angeles, were visitors at the garden fête of St. Aidan's United Church held at the home of Mr. and Mrs. J. J. Ross, "Roseconner," Iona Drive, Mt. Tolmie.

Mrs. H. F. Warner, Miss V. Colbert, Miss Rita MacDonald, and Miss G. Rendle left Saturday on an extended motor tour of Southern California and Mexico. They will spend a few days in Seattle, San Francisco and Los Angeles en route visiting friends.

Mrs. A. E. Hull and Miss Irene Hull of Granville Avenue, Colquitz, were among those who left Victoria recently to attend the Vimy Memorial ceremonies. They will afterwards visit Mrs. Hull's mother in London, England. Mrs. George Harris of Colwood accompanied her sister and niece as far as Vancouver.

Mr. and Mrs. H. Wheaton, 5345 Taunton Street, Vancouver, announce the engagement of their only daughter, Audrey Irene, to Mr. Harold Wilson Crawford of Penticton, only son of Mr. and Mrs. W. G. Crawford of Victoria. The wedding will take place on August 12 at Collingwood United Church, Vancouver.

Mr. and Mrs. J. O. Cameron, "Roseboro," have extended an invitation to members of the Authors' Club and visiting delegates to the Canadian authors' convention to an informal musical programme to be heard tonight prior to the reception to be given by the club at the residence of Mr. and Mrs. Lloyd Morgan. Mr. and Mrs. Cameron will receive their guests from 8.15 to 8.30 o'clock, when guests by local composers will be illustrated by Miss Dorothy Parsons, Miss Phyllis Deville, Miss Audrey Wood, Miss Betty Sedg and Mr. Ernest Ferne.

A tea for delegates of the first convention of Canadian Federation of Music Teachers, which is in session at Hotel Georgia, was given in the private dining-room of Jericho Country Club on Wednesday. A charming arrangement of pink and mauve sweet peas intermingled with gypsophylls centred the tea table and

Mr. and Mrs. Harry Brewster celebrated their twenty-fifth wedding anniversary on Wednesday evening at their home at Elk Lake. They were married by Rev. Collinson at St. Michael's and All-Angels' Church, Royal Oak in July, 1911. During the evening, Hazel, only daughter of Mr. and Mrs. Brewster, appeared in her mother's wedding dress and veil and carried a bouquet of madonna lilies. Many beautiful gifts were received by the happy couple. Mrs. Brewster was decorated with madonna lilies, roses and sweet peas and a three-tiered wedding cake decorated by Mrs. Ed. Campbell, held the place of honor on the supper-table. Music and dancing were enjoyed with "Red" Barker supplying the music. The invited guests were: Mr. and Mrs. J. Mycock, Mrs. L. Duval, Mr. and Mrs. T. Raper, Mr. and Mrs. W. J. Barker, Mr. and Mrs. Gilbert Barker and daughter, Beverly; Mr. and Mrs. T. Linton, Mr. and Mrs. W. Webster, Mr. and Mrs. Knott, Mr. and Mrs. E. Campbell, Mr. and Mrs. Ed. Campbell, Mr. and Mrs. G. Robinson, Mr. and Mrs. McIntosh, Mrs. L. Exton, Mrs. Polyblank, Mrs. Steele, Misses Molly Raper, Hanhouse, Ritchie, Grace Sinclair, and Messrs. A. Mycock, B. Mycock, Wilfred Barker, E. Raper, W. Gregory, A. Duval and Jack Gregory.

CHILD IS ADULT'S SEVEREST CRITIC

By OLIVE ROBERTS BARTON

"What's the matter, Caroline? What have I done now?"

"Nothing, mother."

"Yes, I have. I can always tell when you are disapproving of me, my dear. And it seems to me it is pretty often."

"I'm not disapproving, but every time you talk to me, Blake I feel funny. You don't act like yourself. You said we intended to take a trip and if we saw a cottage we liked we might take it. I never heard you and Dad talking of any cottage. I thought maybe you were making it up."

"You'll learn some things in time, darling. One is that you have to meet Greek with Greek. Mrs. Blake doesn't know any other language but the semblance of propriety. She is forever bragging, so I had to have my little fling. Really it wasn't serious. She probably knew I was spoofing. Just as she does."

**MOTHER KNOWS BEST?**

"But it seems so—so kind of insincere, mother. Sort of cheap. I don't mean to offend you, but I like you better when you just say ordinary things."

"Getting a bit critical of your mother, aren't you, darling? I don't seem to be the good old person you used to think I was. The other day I tried a cigarette at Aunt Carrie's and you walked in. Since then I seem to have lost caste. You know I never smoke. But if I took a notion to, what would you say?"

Caroline's face was as secretive as the Sphinx as she answered carefully, "I guess you know what I'm all right. I can't tell you what to do."

"But I want to do what you want me to do. I can't have my daughter worrying about you. I get so upset when I think maybe—she hesitated. But her mother supplied, "—that I'm getting to be a wild woman. Is that it? Don't you worry about me. I always know what's right, dear. I was silly to talk to Mrs. Blake that way and my own conscience told me so. But

**DAUGHTER TELLS ALL**

Mrs. Smith was rather astonished at her daughter's astuteness, but she said, "Yes."

"Oh, mother, I'm awfully glad. Now I can tell you about the day you gave a party and you said that husbands and wives should not sit next to each other. I think they should sit next to each other. I was wondering what everybody would think. You won't do that any more, will you?"

"But there's nothing wrong with that, my dear. That is the way it's done almost everywhere."

"But, mother, I get so worried. I'm only fourteen but I can't help getting worried about you. I get so upset when I think maybe—she hesitated. But her mother supplied, "—that I'm getting to be a wild woman. Is that it? Don't you worry about me. I always know what's right, dear. ## Octogenarian Executive Puts Work Before Leisure

By LAURA LOU BROOKMAN

Mrs. Minnie D. Phillips of Cleveland has not much patience with folks in the forties and fifties who think they are "too old" to try new jobs, move to new scenes, begin over if the past has been disappointing.

Mrs. Phillips has her reasons—and very good ones.

An alert, energetic business woman, president of two large enterprises which she manages personally, Mrs. Phillips recently celebrated her eightieth birthday.

"It was one of the happiest days of my life, too," she says.

Being eighty years old and actively engaged in business is not Mrs. Phillips' only claim to distinction.

At forty-eight, a housewife and mother, whose only activity outside caring for her family had been giving music lessons, she set out on a business career.

At sixty-four she founded a school of beauty culture from which 6,000 students have been graduated.

At eighty she divides her time between her schools and laboratory, thinks up new ways to expand the business.

### KEEP ACTIVE TO STAY YOUNG

Mrs. Phillips, looking less than thirty years of age, believes it is incessant activity that has kept her young.

"None of us," she says, "uses our abilities to the fullest. The more we use them, the better they function, and the better we keep in trim."

Born in Iowa, Mich., her parents later moved to Grand Rapids. There she grew up, studied music, married. She had two daughters. Caring for

them, cooking, sewing and doing the housework filled the days, but she kept on with her music. She took some pupils, played the organ in church on Sundays.

Music she loved—and still loves, but there was one other interest close to her heart. "Ever since I can remember," she says, "I have been interested in beauty preparations. I used to clip articles about them from newspapers and magazines. I put these clippings in a box and I used to take them wherever I went. I would read them over and over, plan how I would change this and that, what I would do if I had the chance."

Studying, experimenting, she finally made a jar of cold cream that approached her ideal. She took it to a druggist who agreed it was an excellent product, but scoffed at the idea that this inexperienced woman, without capital, could market it successfully.

Undiscouraged, Mrs. Phillips set to work. She made the cold cream, packed it in jars, and distributed samples. Soon orders began to come in. She worked longer hours, employed assistants. Presently the business showed a profit.

In 1920 she established the Cleveland School of Beauty Culture and nine years later opened the branch in Detroit. When the school needed a textbook and none on the market seemed satisfactory, Mrs. Phillips wrote a text that has gone through several editions. She personally handles advertising and publications for the school.

### PERFECTED NEW COLD CREAM

"If you can do it," he said, "you will be one in 10,000."

## War Romance Recalled By Trip

Colored Veteran  
And Wife  
On Vimy Pilgrimage

Canadian Press

Montreal, July 17.—Parties dancing and bridge "simply loved" by Cleo MacPherson when she was a girl of nineteen, working in Toronto.

But that was before a friend invited her to take a day off from work to visit "Curly" Christian at Davisville Hospital, where the Virginian was convalescing from the loss of his arms and legs in France.

Cleo, native of Jamaica, felt sorry in her girlish way for the man who had not seen his colored folks in the south for nearly a score of years. The visits became more frequent. Then Curly reached the stage where he could toddle around on artificial limbs. That was fifteen years ago.

Today Mr. and Mrs. Ethelbert Christian were on the high seas with the Vimy pilgrimage. It was the same pair that spent "many, many evenings" at the hospital on the northern outskirts of Toronto. With them was ten-year-old Douglas MacPherson Christian.

"We," said the attractive young Jamaican woman, "probably are one of the happiest families in all these thousands here today." Then she explained why.

"I knew when I married Curly what I was doing. But I've never regretted it. I alone look after him. Everything that's done for him, I do, shaving, bathing, dressing and even driving his car. But we're so happy."

Curly, who says he hasn't been called Ethelbert for about forty years, sat beside his wife on the deck of the liner Montcalm, smiling.

"Well, you know very well that's right, Curly, don't you?"

"You're perfectly right, Cleo, dear."

"Now, as I was saying, I don't have to go back to dancing, parties and bridge—any of that stuff. There's something more important in life than that—happiness. And it might do a lot of these so-called modern mothers a lot of good to realize it."

## Spinsters In Fight For Pension

London, July 17.—To the accompaniment of vigorous "war-songs," about 2,000 spinsters from various parts of Great Britain marched into the metropolis recently.

Urged on by their leader and founder, Miss Florence White of Bradford, who has built up the National Spinsters' Pensions Association to a membership of nearly 40,000 in a year, they came to town to fight for their rights.

And the fight, according to Miss White, is for equality with widows who get pensions at fifty-five years of age. At present the "unmarrieds" have to wait until they are sixty-five.

Furthermore, the widows get the pension even if they have never paid any subscriptions to the National Health Insurance. Spinsters have to contribute or they are "just out of luck."

Miss White has prepared a "Spinsters' Charter" which will be placed before the Minister of Health shortly.

COOL LOOK IS HOT ON TRAIL  
OF BEAUTY

By ALICIA HART

These days when the temperature reaches unbelievable heights and crisp breezes are few and far between, the woman who looks cool gets all the applause. This is the time to go in for simple clothes, an even simpler coiffure, a minimum of makeup, white-snow accessories and light, fresh perfume.

If you have someone to wash them for you or if you have time to do it yourself, by all means stick to cotton and linen frocks. But if keeping them spic and span is so much of a struggle that you occasionally appear in a dress that is not quite clean, don't wear them at all. Go back to your old standby, navy and black sheers, and dress them up with crisp white collars and cuffs.

Short sleeves are wonderful only when the elbows and arms below them are scrupulously clean. One dingy spot on one arm stamps you as a person who is not exactly fastidious.

White cotton gloves, like stockings and white lingerie collars, never should be worn the second day. It

## Lone Jobless Women In Plight

U.S. Survey Shows  
Ill-health and  
Age Big Factors

Washington, July 17.—In a survey, the results of which have just been made public, the Women's Bureau throws the spotlight on the plight of lone unemployed women during the depression. The survey covered 3,500 jobless women in five cities—Cleveland, St. Paul, Minneapolis, Chicago and Philadelphia.

Loss of job and inability to find work was the most common reason for seeking relief, although advancing age or ill-health were other important causes. Among the 1,654 women in Philadelphia, perhaps roughly a half were seeking relief for the first time. Some of the others were chronic cases even in prosperous times.

The women in Chicago and Philadelphia were an older group than those in the other cities. More than two-thirds of the nearly 950 Chicago women and almost three-fourths of the 1,650 women in Philadelphia were forty or older.

In Cleveland about two-thirds of the 750 women were under thirty, and in Minneapolis and St. Paul, where eighty-two and ninety-eight women reported, respectively, a large proportion were also under thirty. The great majority in each of the cities were native-born.

A large proportion—somewhat over three-fourths in Chicago and about seven-tenths in Philadelphia—had been married but at the time of the study were widows, divorced or separated.

In Cleveland, and Minneapolis practically two-thirds of the women reporting were single, the remainder being widowed, divorced or separated.

In every city roughly one-half of the women reported their usual occupation had been in some domestic or personal pursuit.

may annoy you, but if you want to look cool—therefore feel cool—during the day, you simply will have to do a bit of washing every night.

Watch the ribbon bands and floral trimmings on your summer hats. Dingy, frayed-looking hat flowers can spoil the appearance of an otherwise perfect ensemble. If you wear white

shoes, clean them every night, and wash the laces frequently.

To be absolutely clean and dainty, everyone needs a daily bath. During the hot months, it is a splendid idea to take an extra one a day. Use your cologne and bath powder lavishly. Dress carefully. Make up your mind not to think about the heat very

much and not to discuss it at all, and eyes of envy will be turned your way wherever you go.

## Your Baby and Mine

WHY IS THE ANGELIC ONLY CHILD  
A DEMON TO HIS MOTHER'S  
FRIENDS?

That familiar accusation of the mother that her child always acts so nicely when they are alone and like a demon in company is usually well founded. It has firm roots in the circumstances which affect misbehavior.

The only child spends a large share of his day in his mother's company. She is, alone, always a satisfactory, dependable, audience. Likewise, the whole house is the child's domain and his toys his own without question. He rules his universe.

Then comes a visitor towing a child. The parents are old friends, the children comparative strangers

His mother has less than half an eye and no ear for what he does or says. The strange child grabs his bike and rides off on it triumphantly, or she views his displayed toys with contempt.

When he huddles at his mother's knee for comfort, or does his most agile, athletic stunts in the middle of the floor for the amusement of the visitor, they both glance at him with feigned indulgence of his smartness, but his mother says with annoyance, "Can't you see I'm busy, Clarence. Try to be a nice boy, run along."

So he sulks outside watching the now hateful girl visitor. When she rides by him he gives her a swift kick, indicative of his burning emotions toward her and the indifferent world. She screams and sobs "that mean boy—he kicked me!"

Unloved, and banished to the upper floor, bereft of the promise of a "party," he goes by the dining room on the way up and leaves his vicious finger marks on each festive, iced cake. And, afterward, he, least of all, can explain why he always acts "that way" when company is around and is such a good boy when alone.

Our leaflet, "Sources of Parental Education," offers parents a list of places from which good parental advice and educational material may be had. Send a self-addressed and 3-cent stamped envelope to Myrtle Meyer Eldred of the Your Baby and Mine department of this newspaper.

## Drought Menaces Park Wild Life

### Big Game Animals May Face Starvation Next Winter

Washington, July 17.—Drought has developed a new menacing front in the national parks, now on parched pastures, are threatened with starvation next winter through shortage of the hay crop that has ordinarily supplied supplementary feed.

The situation is most acute at present in Wind Cave National Park, a small park on the south slope of the Black Hills in South Dakota. Although the total number of elk, antelope and deer on this comes to less than 500 head, lack of pasture now and hay for next winter makes even this small number look like too much of a load.

In Rocky Mountain National Park there has long been a deer-and-elk problem, because the natural range north of Estes Park is over-stocked, and efforts of the National Park Service to get it extended have thus far been unsuccessful. Glacier National Park, on the other hand, offers less of a problem, because the deer pasture there depends primarily on winter snows, and these have been abundant even when the plains have suffered from both summer and winter drought.

Yellowstone National Park, of course, has the biggest problems to face, because it supports the largest herds of big game, and because droughts of the past few years have left the range in bad shape. The present state of the range where the thousand buffalo feed is not accurately known at the moment, but a survey has been started. The ten thousand head of elk which constitute the so-called northern and Gallatin herds are known to be a grave over-load on their natural range, but efforts to get more land have been stymied by the opposition of ranchmen, whose lands run right up to the northern boundary of the park. The southern elk herd feeds in Yellowstone Park only during the summer, and lives most of the time outside the park boundaries, so that while it presents a serious problem, the responsibility for solving it does not rest primarily on the National Park Service.

Distress and possible wholesale starvation of the Yellowstone elk herds, the largest surviving groups of these animals left in the United States, will undoubtedly be intensified by the difficulty of procuring supplementary feed. In past "distress winters" public-spirited citizens have often dug down into their own pockets to purchase hay from outside sources, but this year they will have to bid against the urgent need for feed for all kinds to save the herds of domestic animals throughout the drought-swept northwest.

The Natural History Society had a field day on Saturday when a party went to visit the potholes in the rocks between the naval cemetery and Admiral's Road. Professor Clapp of the geological survey was present and gave an interesting talk about them and generally upon the geological formation of Vancouver Island.

There passed the primary grade in pianoforte playing, with distinction at the recent examinations held here by the associated boards of the R.A.M. and R.C.M. Miss Ella Paul and Miss Lois Mellor, pupils of Miss Edith Austin.

The Boy Scouts Band, under Bandmaster Plowright, gave a most enjoyable concert at North Ward Park on Saturday afternoon.

Ideal weather conditions prevailed at Clover Point on Saturday afternoon when the last of the four matches in the Canadian Rifle League was held. Some great scores were put on, the first team averaging 96.1 per man. Sergeants Carr and A. Richardson each compiled a century.

Declarer Takes Thirteen Tricks by Cross-ruffing and Forcing Both Opponents to Discard

Secretary, American Bridge League  
Squeezes, coups and end plays will be among the usual topics of conversation at Asbury Park, N.J., the week of August 3, when the American Bridge League meets for the summer session of its tenth annual championship.

When the dummy was spread, Cook saw that, while making twelve was

easy, thirteen tricks was not at all certain. The opening lead furnished a slight clue to the distribution, and based on that he planned the play. The ace won the first trick and the three of hearts was ruffed. Next, a diamond was led to the ace, and another heart played from dummy and ruffed. Then Cook cashed the ace and queen of trumps and led a low club to dummy's king.

The king of spades was played, followed by the last spade, and both East and West were squeezed. The last two tricks were won in the South hand, with the ace and the seven of clubs.

Stewart with a large number of passengers, the Prince Rupert left here this morning. The passengers who joined the vessel here traveling as saloon were: J. H. Taylor, Ashdown Green, E. H. Eppelheimer, J. D. McIlven, W. A. Blake, Miss Edna Blake, Harry Briggs, Hon. W. R. Ross, chief commissioner of lands; Mr. and Mrs. R. R. Taylor and Mr. Justice Gallieher.

## WAR'S GLORIOUS FAILURE

Australia, in 1935, and now New Zealand have issued stamps that honor the young men whom they sent thousands of miles overseas, at the beginning of the World War, only to find themselves involved in a disastrous campaign doomed to fail.

It was the famous Gallipoli campaign, by which the Allies, during the summer of 1915, sought to open the Dardanelles so munitions could be transported to Russia. When the Allies landed their troops on the narrow peninsula opposite the Turkish stronghold, so many tactical errors were made that the troops finally had to be withdrawn. Each side lost about 100,000 men, but the greatest shock came when it was discovered that the Allies were within a night of defeating the Turks. That short delay, it is believed, turned the tide for the enemy.

Now, 21 years later, the Aussies—those Australian and New Zealand troops who sacrificed their lives in this battle—are remembered by an inspiring stamp shown here.

The Oak Bay Council yesterday afternoon granted an extra half-day on Saturday, August 15, to the Municipal Employees Federation, which plans to hold a picnic at that time at Mount Douglas Park, and also made a contribution of \$30 toward the expenses. The picnic will be the 21st anniversary of the formation of the federation, and members of the council have been invited to attend.

## Look Quick or He'll Be Gone

Speed is so intangible that it cannot of itself be photographed, but this unusual picture gives such an inescapable impression of high speed that it belongs with camera rarities. C. B. Rickell was driving his motorcycle at ninety miles an hour when the cameraman flicked his lens at a race in England.

## Co-operative Expert Coming

George Keen, General Secretary, Will Speak in Victoria

George Keen, the general secretary of the Co-operative Union of Canada, will be in Victoria on Monday and will make his headquarters at the Commonwealth Society at the corner of Bay and Douglas Streets.

Mr. Keen will address a public meeting at the Y.W.C.A. building on Monday evening at 8 o'clock.

Because of his position Mr. Keen is able to speak with authority on co-operation not only in Canada but from an international point of view. The Co-operative Union of Canada is a member of the International Co-operative Alliance representative of forty-two countries with approximately 150,000,000 members.

An unbroken service of twenty-seven years has given Mr. Keen a close knowledge of the history of the Canadian movement. To his success in upholding the very highest ideals of the movement can be ascribed the present status of the individual units. Besides being an idealist he has a thorough knowledge of the practical business principles necessary for success. To co-operators, directors and officials he is increasingly insistent upon efficient and uniform business methods.

Mr. Keen was offered a very attractive contract by the commission government of Newfoundland to direct the organization of the co-operative movement there. Upon being advised by his colleagues that his acceptance would mean a setback to the Canadian movement, he declined.

## POWER PROJECT TIME EXTENDED

An extension of time has been granted by the provincial government to the Bridge River Power Company Ltd. for completion of its big hydro-electric undertaking at Bridge River.

By official notice gazetted today, the company's certificate is amended to provide: (1) the construction of works capable of developing 30,000 horsepower shall be completed by April 1, 1938; the construction of additional works capable of increasing the development to 60,000 horsepower shall be completed by April 1, 1940, and that completion up to 125,000 horsepower shall be done by April 1, 1945.

## ROYAL OAK

Royal Oak Girl Guides, in charge of Miss Helen Arnott, left Tuesday morning to spend nine days' camp at Deep Cove. The girls are Jennifer Hobbs, Anita and Trudy Polyblank, Helen Phillips, Pamela Butcher, Gertrude and Gladys Campbell, Dorothy Duckitt, Loraine Marston, Rita Huntley, Virginia Fisher, Eva Jones, Joyce Heal and Betty Matthews.

Mr. and Mrs. O. Watt, formerly of Calgary, Alberta, have purchased the property of Mr. and Mrs. J. D. O'Toole, Santa Clara Avenue.

## WHEAT EXPORTS

Ottawa, July 17 (Canadian Press)—Exports of Canadian wheat for the week ended July 10 totalled 4,962,333 bushels compared with 4,022,222 bushels the previous week and 1,370,239 the corresponding week in 1935, the Dominion Bureau of Statistics reported today.

Overseas clearances amounted to 3,236,333 and exports to the United States for consumption and milling in bond were 1,726,000.

Clearances by ports with figures for the corresponding week last year in

## Troops Invaded Legation Grounds

British Commons Told of Italian Action at Addis Ababa

Canadian Press from Havas  
London, July 17.—A detachment of Italian carabinieri invaded the grounds of the British legation in Addis Ababa on July 6, Vicecount Cranborne, Under-Secretary for Foreign Affairs, revealed in the House of Commons yesterday evening.

The disclosure was made in a written reply to a question from Lieut.-Commander Reginald Fletcher, Labor, who sought details of the shutdown of the legation wireless ordered by the Italians.

"His Majesty's charge d'affaires in Addis Ababa, in compliance with the decree of the Italian authorities, dated July 8 and valid for fifteen days, has discontinued the use of the legation wireless installation for purposes of transmission only," Lord Cranborne's statement said.

"Roberts (British charge d'affaires) acted under protest in conformity with the action of his colleagues in other legations concerned."

INVASION WAS BRIEF  
"In reply to the last part of the question, on July 6 a party of Italian carabinieri entered the grounds of His Majesty's legation with a view to occupying the wireless installation in anticipation of the decree issued later on that day, from the operation of which foreign legations were subsequently exempted."

"His Majesty's charge d'affaires intervened and the party was withdrawn later in the day. No repetition of the incident has been reported."

"These matters have been taken up urgently not only by Roberts with Marshal Graziani (Victory of Ethiopia), but also by His Majesty's ambassador in Rome acting on the instructions of His Majesty's Government."

Exports of Canadian wheat from August 1 to July 10 totalled 204,856,000 bushels compared with 137,393,004 for the corresponding period in the previous crop year.

Overseas clearances amounted to 159,040,535 bushels against 112,564,266 the previous year.

Clearances by ports with 1934-35 figures in brackets: Montreal, 47,484,923 bushels (29,970,898); Sorel, 13,488,325 (8,888,893); Quebec, 4,284,059 (2,490,304); Sarnia, 2,000 (nil); West St. John and St. John, 10,759,807 (5,229,223); Halifax, 2,077,561 (2,861,750); United States ports, 33,376,000 (21,356,000); Port William and Port Arthur, 629,775 (nil); Vancouver, 53,530,987 (45,694,160); Churchill, 2,407,000 (4,049,877); Prince Rupert, nil (299,949); Victoria, nil (253,532).

Asbestos comes from far corners of the earth, chiefly from Russia, Cyprus, Rhodesia, South Africa and Canada.

STRAWBERRY VALE

The monthly meeting of the Wilkeson Road United Women's Missionary Society was held on Tuesday, Mrs. A. Allison presided. Reports were presented by the following heralds: Mesdames G. Jones, D. Phillips, G. Massey and E. Boorman. Papers were presented by Mrs. L. Scott on temper-

ance, and Mrs. J. Edge on stewardship. The missionary study period was led by Mrs. A. Allison, assisted by Mesdames Hugh Allison, Carl Allison and W. Allan. Arrangements were made for a meeting to be held at the home of Mrs. J. Grant, "Bonnie Doon," West Sanich Road, in August. Mesdames E. Boorman and D. Lehman convening.

Mrs. E. Smith and her daughter, Miss Isabella Smith, Winnipeg, were the guests of Rev. and Mrs. W. Allan, the paragon, Glyn Road.

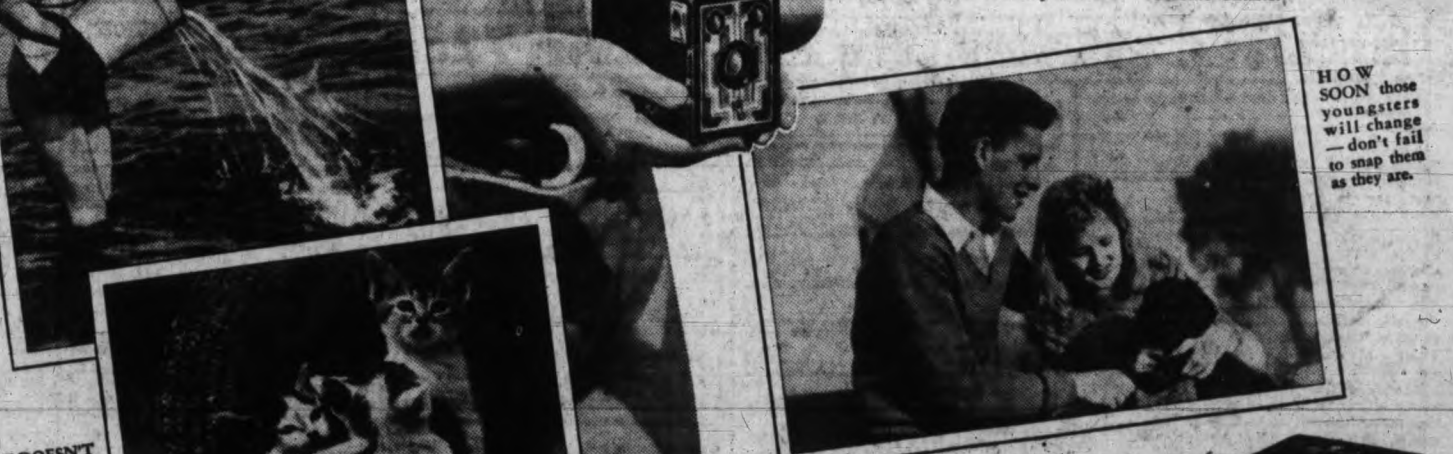

Attempts to calculate the year of Christ's birth began about 200 years after his lifetime.

## "The darling I mustn't miss this!"

Give Snapshots the job of remembering this Week-end

IT'S so important to get snapshots as you go along. They're the perfect diary of your trips—your picnics—the changes that are always taking place. They save the happiest expressions of those you love best.

So be sure to take your Kodak, whatever you're doing this week-end. Snapshotting makes any day a bigger, more lasting day. A year from now it will be as fresh as ever—one look at the prints, and you'll know whom you were

with, where you went, what you did. This is one way of saving time that really works.

No wonder everybody is snapshotting—it's part of every other sport. Count the Kodaks as you go. The snapshots you'll want tomorrow you must take today. Kodaks as low as \$5; Brownies from \$1.25... at your dealer's.

In Canada "Kodak" is the registered trade mark and sole property of Canadian Kodak Co., Limited, Toronto Ontario.

HOW SOON those youngsters will change—don't fail to snap them as they are.

IT DOESN'T TAKE a whole family of kittens to make a swell snapshot—but if you have a chance like this—don't miss it.

CRACK SNAPSHOT COMBINATION  
Six-20 Brownie—Kodak VERICHROME Film

Great though the Brownies always have been—simple, sure of results—now they're even better. Six-20 Brownie has the Diway lens, insuring sharp focus for both near and far subjects. Rotary shutter. Two brilliant Magna-finders. Decorative metal front, nickle-plated. Pictures, 2 1/4 x 3 1/4 inches. \$3.25.

For snapshots that "turn out," load with Kodak Verichrome Film. It gives you clear, lively snapshots, even on cloudy days. Any camera is a better camera, loaded with Verichrome.

# English Marksmen Capture Prized Kolapore Cup At Bisley

## THE SPORTS MIRROR

By PETE BALLAWAY

OF ALL the running races at the Olympic Games the 1,500 metre test promises to be the race of the ancient Greek classic to be held at Berlin next month. Not only will it have an international atmosphere supplied by entries from England, United States, Italy, Germany, New Zealand and less favored countries, but the class of the competitors threatens to lower the outdoor record of 3.48.8 set by Bill Bonthron, United States.

What a field there will be included, will be the latest record holder, who won in Los Angeles in 1932, setting a record of 3.51.2; Bonthron, Glenn Cunningham, the U.S. holder of the mile record of 4.47.1; Gene Venzke, the rejuvenated American miler who holds the world indoor 1,500 metre record of 3.49.5; Jack Lovelock, the New Zealand flash who held the mile record before Cunningham broke it; and Stanley Wooderson, England's latest sensation, who defeated Lovelock by a yard in the mile in the recent British championships. It is little wonder that experts are looking for the standard to fall.

A recent announcement from Ottawa that the federal government was contemplating asking for a detailed account of how its \$10,000 grant to the Olympic team was being spent has drawn considerable comment from eastern sports writers. J. P. Fitzgerald writes as follows in The Toronto Telegram: "The Canadian Olympic committee will not have to hire any chartered accountants to satisfy the government at Ottawa that the \$10,000 received from that source was or will be spent to the greatest possible advantage. Their problem is to make this amount stretch to the breaking point to meet the expenses of the athletes."

"Nevertheless, one cannot help but imagine that a lot of the money being expended by sending a flock of swimmers, boxers, wrestlers, and track and field men and women to the Dominion championships and Olympic trials at Montreal might have been better employed in sending only the very best and directing the difference toward the expenses of any good enough to be sent to Berlin. That, of course, is the business of the various sports, not of the Olympic committee, nor, indeed, of you or me.

"After all, with each single athlete to Berlin costing at the very least \$800, the answer to Ottawa of that \$10,000 question will be a lot easier than to figure out how to find enough more to make ends meet."

Walter Gilhooly, Ottawa Journal: "P. J. Mulqueen, chairman of the Canadian Olympic committee, and custodian of the \$10,000 given by the government for expenses of athletes heading for Berlin, is in an unenviable position these days. That sum is a mere drop in the bucket as far as paying ship fare and hotel expenses of Canada's representatives are concerned, but every sport in the country that has an athlete to send overseas wants a piece of it. Certainly Mulqueen won't have any difficulty accounting for how it was spent."

"There will be a lot of these athletes who won't get to first base. Times and distances set up by Canadian athletes during the past four years in track and field events, and showings in other sports, haven't been anything that would create undue enthusiasm for this country's chances at Berlin. With money as scarce as it is, it would be sounder business to have entered those who might have some hope of winning rather than endeavoring to have all sports represented."

## South Africa In Second Place and Canada Is Third

England's Team Takes Trophy By Small Margin of Eight Points

### CANADIANS DO WELL IN KING'S

Bisley Camp, Surrey, July 17.—For the first time since 1933, England today won the Kolapore Cup, major team trophy of the National Rifle Association's Bisley meeting. The English team of eight had an aggregate score of 1,113.

South Africa, competing for the trophy for the first time since 1924, finished second with 1,104, and Canada was third with 1,103. India, who won the trophy last year, was fourth with 1,102 points.

Six Canadians qualified outright today to enter the third and final stage of competition for the King's Prize, blue ribbon award of the National Rifle Association's meeting. They scored 139 or better in the second stage, fired over the century range, at 300, 500 and 600 yards.

Company Sergeant-Major H. Rusk, Ottawa, topped the qualifying Canadians with 144, six short of perfect figures. The other five who will continue in the final Saturday are Capt. S. W. Graham and Regimental Sergeant-Major Jim Kiddie, both of Toronto, with 143; Staff Quartermaster-Sergeant F. V. Shepherd of Stevenson Place, Ont., with 142; Lieut. P. J. Martinson of La Tuque, Que., with 140, and Sergeant J. W. A. Sharpe of Montreal with 139.

Sergeant J. Kier of Vancouver, Sergeant A. Parnell of Verdun, Que.; Capt. W. Worwick, Winnipeg, and twenty-nine others who scored 138 will shoot off to determine the last nine of the "King's Hundred," the 100 marksmen who compete in the final stage.

The final for the King's Prize will be fired over the Sticks-down Range at 300 and 1,000 yards. Aggregate scores in the second and third stages count in determining the winner. To the winner goes the King's Prize of £250 (£1250), the N.R.A. gold medal and the N.R.A. gold badge. Total value of the prizes for the event is £1,270.

### Addison Back From Montreal

Joe Addison, Victoria's "flying cop," returned on this afternoon's boat from Vancouver from the Canadian Olympic trials in Montreal. Addison, one of the best quarter-milers ever developed in British Columbia, placed well in the preliminary heats at that distance in the east last week but was eliminated in the final.

### MAT CARD IS NOW COMPLETE

Pat Fraley to Engage George Kitzmiller Here Tomorrow Evening

A favorite with the fans, Pat Fraley, clever wrestler from Nebraska, will return to the local ring tomorrow evening to do battle with George Kitzmiller, the "wrestling wildman" who hails from Portland, in the semi-main event on Promoter Fred Richardson's card at the Tillamook gym.

The Nebraska bone-bender will have a tough job on his hands when he takes on the Portlander. Fraley generally likes to stick to the scientific methods of wrestling while his opponent is just the opposite. It should be a good bout.

The main event on the programme will see Leo Numa Anderson and "Gentleman" Jack Washburn, Boston, exchange holds. Both are good wrestlers and they will no doubt give the fans something to shout and cheer about when they meet in the eight ten-minute-round tussle.

Another out-of-town grappler will make his Victoria debut Saturday night. He is Larry Bennett, Portland, who will meet Louis Newman in the opener at 8.45 o'clock.

### TWO VICTORIA BOWLERS WIN

Marconini and Mossey in Sixth Round of Singles Play at Vancouver

Vancouver, July 17.—Two outside rinks, one from Cumberland, B.C., and one from Los Angeles, today had gained final berths in the Bower and Wee McKay Trophy competitions at the British Columbia Lawn Bowling Association's tournament, while two other visiting squads were due to battle for a final placing in the Mercer doubles trophy event.

H. Jackson, Cumberland, gained the finals in the Bower Trophy competition with a 13 to 12 victory over R. Niblett, Merritt, B.C., and will clash with T. H. White, Vancouver, for possession of the trophy tomorrow.

DARWIN'S THEORY—"THE ORIGIN OF SPECIES" WAS ADVANCED BY 2 MEN, WORKING TOTALLY INDEPENDENT OF EACH OTHER, ON OPPOSITE SIDES OF THE EARTH, IN THE SAME YEAR—ALFRED RUSSELL WALLACE AND CHARLES ROBERT DARWIN—1858

THREE TIMES WINNER... "Donnie" Bush broke into the ranks of organized baseball in 1905 at the age of seventeen, when he became a member of the Daytop team, old Central League, later going to the South Bend club of the same league.

Transferred to Cincinnati after the start of the 1908 season, Bush showed himself to be a sensational shortstop and late in the same season became a member of the Detroit Tigers. Strange as it seems, each of the three teams for whom he played that season won the championships of their respective leagues.

DARWIN'S THEORY... Charles Darwin had his interest first aroused in the subject that ultimately led to his famed theory regarding the evolution and the origin of species when, as a young man, he embarked on a voyage around the world with Admiral Fitzroy, in 1832 as the expedition's naturalist.

Struck with the similarity between prehistoric and existing animals of the various lands he visited, the idea dawned upon him that perhaps various species of animals were not simply created but had arrived at their forms only through slow development and modification. Thus began his life's work.

After spending years in experimentation and research, in 1858 he started work in England on preparing the huge amount of data he had amassed for publication. Then, one day in 1858, just as his material was about ready for publication, he received a manuscript from an old naturalist friend in India, Alfred Russell Wallace, who wished Darwin's opinion of his work. Upon perusing the manuscript, Darwin was amazed to find that Wallace, working entirely independently, had arrived at almost exactly the same conclusions as himself.

As a consequence, Russell and Darwin were honored as collaborators on the theory, though Darwin's priority on the subject was recognized.

## Set Conditions For Fly-casting Event

Vancouver Island Fishermen Will Take Part in Novel Competition at Shawnigan Lake on August 8; Juniors and Seniors to Compete

Two distance events and a final championship accuracy contest, open to all amateur fly fishermen on Vancouver Island, are on the programme for the initial Vancouver Island fly casting competition to be held on Saturday, August 8, at 3 o'clock at Shawnigan Lake.

The committee handling the event, which includes Col. F. G. Hood, chairman, Harold G. Philbrook, Joe Jewkes and Roger Monteith, at a meeting held yesterday evening, made final arrangements for the staging of the event. Considerable enthusiasm has been shown in the competition by local and island fly rod and reel artists, and a large entry is anticipated.

The events will be open to juniors and seniors, with the junior class being eighteen years and under. Seven and one-half ounces rods, or under, have been specified for the opening event, which will include both senior and junior classes, and will be judged on distance. The second event will be for rods weighing seven and one-half ounces or over. Junior and senior events will be included, with distance being the aim.

### DAN MOSES NEW VICE-PRESIDENT

Vancouver, July 17.—E. H. Grubbe, Vancouver, yesterday was elected president of the North Pacific Association of Amateur Outermen at Tullahoma, Tenn., and British Columbia rowing crews opened the three-day Pacific Coast championship regatta here.

Dan Moses, Victoria, coach of the James Bay Athletic Association rowing crew, was named vice-president, with Cyril Hodge, president of the junior competition, will be the judge with two assistants.

Some of the conditions under which the competition will be staged are: The judge's decision will be final on all points; the junior competition will be open to all amateur competitors eighteen years and under; no participant is eligible to win more than one prize in any one event; field equipment will be used and subject to inspection; rods will be provided by the committee; scores shall be based on an average of five casts; post entries will be accepted and other conditions explained by the committee at the time of entry or when about to compete. The final will be judged on accuracy.

## VISITOR TALKS TO FANCIERS

Col. J. H. McCrae, C. K. C. President, Addresses Local Breeders

The Canadian Kennel Club is going ahead, said Colonel J. H. McCrae, M.C., Oak, Ontario, president of the C.K.C., in outlining the details of the work of the organization, before a gathering of thirty-five Victoria dog fanciers yesterday evening at the Y.M.C.A.

The meeting was presided over by W. H. Pym, Vancouver, second vice-president of the Canadian Kennel Club.

Col. McCrae explained that the C.K.C. was the third largest organization of the twenty-seven under the jurisdiction of the National Livestock Branch, and at present it was progressing in a fine manner. All dogs for shipment to the United States must, starting next year, be positively identified by means of a tattoo mark, the speaker said. The mark will carry a letter and numeral, and will designate the date of birth of the canine and the kennel from which he was purchased.

Steps are now being taken to improve the Canadian Kennel and Bitch Magazine, Col. McCrae said. He urged the co-operation of all in the interest of the association and the magazine and was quite emphatic as to the continued success of the C.K.C.

The speaker was extended a vote of thanks for his interesting address.

### FIVE TO TEE OFF IN JUNIOR MEET

A quintette of young golfers, representing the smallest field ever to tee off in the Victoria Golf Club junior championship will match strokes Saturday at the Oak Bay links, when the first eighteen holes of the tournament are played.

The second eighteen holes will be played the following Saturday, and the competitor with the best gross score for the two days will be presented with the trophy.

Jack Bagley and C. P. Rutherford will take the field starting at 9 o'clock, and five minutes later Bill Squire, John Smith and Hadley Mitchell will get away.

### Surprise Team of Major Leagues Spoils Dizzy Dean's Comeback With 6 to 2 Victory; Chicago Cubs Win in Tenth; New York Yankees Whip Detroit

It may be only a flash in the National League's red-hot pan, but those Phillies are giving the baseball world an occasion for some eyebrow lifting.

Although they are still a long way from the first division, let alone the top of the heap, they have been the hottest outfit in the big leagues since July 1, and the only club in their league to keep up with the pace set by the galloping Chicago Cubs. They made it ten victories against four defeats since the first of the month, two in a row over the St. Louis Cardinals, and spoiled Dizzy Dean's return to action, by tying off against the "great one" yesterday and burying him under a 6 to 2 score. "Old Diz" lasted just five innings in his first start since a line drive knocked him unconscious and out of the lineup last Saturday.

The defeat for the cards left them two full games back of the Cubs, who also won their tenth start out of fourteen by turning back the Boston Bees 1 to 0 in a ten-inning affair. Bill Dickey and Joe DiMaggio led the New York Yankees to a 5 to 2 win over Detroit, besting New York's pace-setting margin to ten full games.

**CLEVELAND SECOND**  
The beating bounced the Bengals out of second place, and the wild-hitting Indians from Cleveland moved in with a 7 to 0 wallop over the Philadelphia Athletics—their sixth straight win.

The Boston Red Sox, with Jimmy Fox hitting homers number twenty-five and twenty-six to take the big leave lead, climbed back into the first division by splitting with the St. Louis Browns. The Sox lost 6 to 3, and won 5 to 4.

Washington fell again before Jimmy Dykes' Chicago White Sox 9 to 7, and dropped into fifth place. In the National, the New York Giants won over Pittsburgh, 7 to 6. The Cincinnati Reds and Brooklyn Dodgers were idle.

**COAST LEAGUE**  
While other first division teams were successfully coping with rivals yesterday, Willie Kamm's Missions lost their third in a row of the short loss to be held at the Britnall Public 5 to 3. Seattle again won by a single run, from San Diego as crafty Lou Koupa pitched a 3 to 2 win, while Wilfroy Ken Douglas left-handed the runner up Oakland A's to a 3 to 0 victory over San Francisco's Seals. Los Angeles had no trouble winning over Sacramento 7 to 2 as Jack (Turn to Page 14, Col 7)

Entrance and Matriculation Results to Be Announced

High School entrance and matriculation examination results in B.C. schools will be announced by the Department of Education next week. It was learned today.

The entrance results will be out about the middle of the week, probably Wednesday, and the matriculation lists about Friday or Saturday, according to present plans.

## NEWS IN BRIEF

A meeting of the executive committee of the Britannia Branch of the Canadian Legion will be held next Tuesday evening at 8 o'clock in the clubrooms, 715 View Street.

The regular monthly meeting of Post No. 1 Native Sons of British Columbia will be held in the E. of P. Hall at 8 o'clock Monday evening. A large attendance is requested. Refreshments will be served.

Slight damage was caused by a fire at 3:35 o'clock this morning at the Victoria Co-operative on the Songhees Reserve. The blaze was caused by a spark lighting sawdust between a pile of cordwood and the boiler room.

Fishermen interested in the formation of a fly and bait casting association on similar lines to that of the British Fly and Bait Casting Association are urged to attend a meeting tonight at 8 o'clock in the British Public Schools' Club, Langley Street.

When he fell from a scaffold on which he was painting a house, J. R. Eldridge, 1340 Johnson Street, an elderly workman, was injured at 2703 Fernwood Road this morning. He suffered bruises and slight cuts about the head and was removed to his home in the police ambulance.

A petition from fifteen wholesale houses at the foot of Yates Street for prohibitive parking for privately-owned cars on the street adjoining their premises, was filed with the city clerk this morning. The petition requests preparation of a by-law which would permit only the firms' trucks to use the space.

On a charge of assaulting Mrs. Ivy Edwards, Mrs. Elizabeth Richardson was dismissed by Magistrate Jay in the City Police Court this morning. Evidence in the case was the same as that in the case of Mrs. Edwards who was charged with assaulting Mrs. Richardson and was convicted and permitted to go on suspended sentence.

The formation of a chess club was approved yesterday evening at the general monthly meeting of the Victoria Unit of the Army and Navy Veterans. Chess players in the city interested in joining are asked to get in touch with Jack Rivers. It was found that the beneficiary fund was in good financial condition and arrangements were made at the meeting to insure its soundness. Five new members were initiated into the unit, making the club's membership stand at 440.

Hesquiat Farmer  
Is Found Drowned

The body of W. F. Rae-Arthur, West Coast farmer, was found yesterday morning by his sons, near Hesquiat, according to provincial police advice received today.

He had been missing since last Tuesday when he left in his open boat to go to Hesquiat for mail. His empty boat was found and fears for his safety were entertained by relatives.

The provincial police patrol boat No. 7 arrived at Hesquiat yesterday evening and officers are inquiring into circumstances surrounding the mishap.

TRAVEL BEST  
SINCE 1929

H. F. Mathews, General Manager of C.P.R. Hotels, Optimistic For Business.

"I have not seen anything like it since 1929," said H. F. Mathews, general manager of Canadian Pacific Hotels, this morning in commenting on this season's travel in Canada. The hotels were not yet doing business quite at the 1929 level, but their showing was far better than in any year since, he said.

Mr. Mathews arrived at the Empress Hotel yesterday in the course of his annual tour of inspection. He will leave tonight for Vancouver on his way to the mountain resorts.

"There is no other hotel in the world with a setting and gardens like this," he said, as he sat in the hotel conservatory for the interview.

Mr. Mathews spoke of the need for a national publicity campaign on the part of Victoria, along the lines of that conducted in the press by the city of Los Angeles. He quoted the case of a party of friends of his in the east whom he had persuaded to come here to play golf during the winter. The publicity campaign they had seen a newspaper item saying there was three feet of snow in Victoria.

Inaccurate statements of that sort should never be allowed to get into print, he said. One such item could ruin the work of \$25,000 worth of publicity.

Mr. Mathews declined to say anything definite on the subject of beer and light wines in hotels. "I have been quoted, attacked and preached about on that subject to such an extent that it is unnecessary for me to say anything more. I think the best thing you could do is to get more interviews with visitors and print their views on the subject," he said.

Mr. Mathews had a good deal to say on the matter of conventions, and especially of the letters of praise for the service at the Empress Hotel which he had received from many delegates to the Canadian Medical Association and Gamma Phi Beta gatherings.

"Conventions go in cycles," he said. "This year the Pacific Coast seems to be getting most of the convention trade. I am sure that at this time of year. Meetings like that are fine publicity for your city."

In view of the heavier tourist traffic, the Canadian Pacific is considering opening its Rocky Mountain resorts earlier next spring. They will open in the fall, and the corporation had a large party of bankers from the eastern United States who will travel to a convention in California by way of the Canadian Rockies.

Asked if his company was anticipating any increase in traffic from Australia and New Zealand through Canada on the way to the coronation next spring, Mr. Mathews said, "We shall be able to accommodate them all right if they come."

Mr. Mathews sees a good sign for business as a whole in the increase in the number and size of organized travel parties this year.

FORMER LOCAL  
TEACHER DIES

Rev. Brother M. S. Curtis, a member of the Order of the Christian Brothers of Ireland, and principal of St. Louis College in Victoria, died this week in Seattle following an illness of several months.

Brother Curtis, who was born in Ireland, was one of the first members of his order to come to America. While in Victoria he inaugurated the annual St. Louis College concerts and had much success in all fields of endeavor. Many of his former pupils are still in Victoria and they have heard of his death with the keenest regret.

From Victoria Brother Curtis was sent to Chicago where he took over the principalship of Leo High School. He was now stationed in Seattle and Vancouver.

PAUL HOME IS  
SCENE OF FIRE

Flames Damage Dwelling on Oak Bay Avenue

Extensive damage to attic quarters and two gables of the home of Dr. and Mrs. E. B. Paul, and Mr. and Mrs. N. H. Lord, at 1603 Oak Bay Avenue, was caused by fire which broke out at 1:10 o'clock this afternoon.

The blaze was caused by a spark from the chimney and had secured a good hold by the time firemen arrived. Quick work of men from headquarters, Yates Street and Leighton Road fire halls, under Deputy J. Raymond, prevented spread of the fire, however, and the damage was confined to the upper section.

The loss was covered by insurance. Dr. Paul, principal emeritus of Victoria College, was seated in his room when the blaze broke out, and owing to his partial disability had to be assisted from the house by his daughter and grandchild.

Firemen saved a large quantity of valuable books, owned by Dr. Paul, which were in an upstairs room adjoining the attic quarters where the flames caused damage.

Interest in museums is so keen that new museums are appearing in this country at the rate of about one a week.

It is estimated that motor vehicle taxes vary from 7.5 per cent of operating costs in California to 15.2 per cent in Florida.

Who's Who  
At Hotels

Riding with the drivers of the streamlined trains of the world is one of the favorite hobbies of Clarence Winchester, chief editor of the Amalgamated Press Limited, London, which publishes several railway magazines among the more than 100 publications which it controls.

At the Empress Hotel this morning Mr. Winchester told of two rides which had especially impressed him. One was in the Bugatti railcars on the Paris-Brussels line of the French State Railways. He sat alongside the driver in a coming-tower cabin which jutted out above the car. There were 500 gallons of gasoline beneath him. The other ride was on the Flying Hamburger in Germany, when it cruised through thick fog for 100 miles an hour. The driver read track signals off a small board in front of him, with colored lights repeating the invisible signs through electric relays.

"There were parts on the prairie burns as dark as this," said Harry T. Oak pointing at a lower cabinet marble top of the Dominion Hotel desk this morning as he described a motor trip across Canada, from which he has just returned. "There was not a blade of grass between Regina and Alberta," he added.

Mr. Winchester, who is an accomplished and a keen rider, has been in the Dominion Hotel, but spends more time out of Victoria than in it.

"They don't know whether they are coming or going," is what he had to say about Alberta.

"It's good to be back here," he added.

Russell Mills, who is in charge of the extensive logging operations at San Juan, is expected back at the Dominion Hotel tomorrow from the west coast.

The Dominion Hotel will on Sunday be host for a short time to the members of the Miami University, Ohio, held in botany. The party will reach Vancouver Island in its chartered motor coach by way of the Sidney ferry, will stop off for a short time at Butchart's Gardens on the way to town, and leave on the Port Angeles ferry in the afternoon, after lunching at the hotel.

California people at the Empress Hotel today include Mrs. F. H. Miller and Mr. and Mrs. H. K. Walton, San Raphael; Mr. and Mrs. R. Gibbs, Mr. and Mrs. C. G. de Garmo, Los Angeles; Mr. and Mrs. J. M. Harrison, Livermore; Mr. and Mrs. L. Hubbard, Jan and Betty Hubbard, Beverly Hills; Miss Nettie Bennett, Miss B. Witmer and Miss Esther Bennett, Los Angeles; Mrs. Wilson and A. W. Wilson, Newport Beach; F. L. Hurry, San Francisco; Mr. and Mrs. L. C. Baddeley and Miss Baddeley, Hollywood; Mr. and Mrs. C. E. Gring, Banning; Miss Ethel Bremer and Mrs. Mayken Woodland; Mr. and Mrs. J. M. Webster; Capt. and Mrs. C. B. Michelwalt, San Francisco.

Other United States visitors at the Empress Hotel include Mr. and Mrs. T. W. Simpson, Portland; Hendrick Overton, Ohio; Mr. and Mrs. E. A. Neylan, New York City; Mr. and Mrs. T. Gring, Banning; Miss Ethel Bremer and Mrs. Mayken Woodland; Mr. and Mrs. J. M. Webster; Capt. and Mrs. C. B. Michelwalt, San Francisco.

United States visitors on the list at the Dominion Hotel today include Mr. and Mrs. G. A. Wilkins, Portland; the Misses Hazel Lee and Erma Simard, and Mrs. L. H. Hall, and Mrs. O. Scott Thompson and Miss Thompson, Compton, Cal.; Mr. and Mrs. J. Shepherd and family, Fresno; Mr. and Mrs. Frederick A. Burg, Los Angeles; Donald A. McLean, San Jose, Cal.; the Misses Paye Anderson and Grace Reidling, Billings, Mont.; Elmer Whitson, Portland, and the Misses Catherine Stremling and Shirley Ruger, Brooklyn, N.Y.

"There's something alluring about this part of the world—an air of freedom," said Mrs. Margaret Rose of Frye, Scotland, who is staying here at the Douglas Hotel today. She is visiting her brother, D. White, 1009 Monterey Avenue.

"I came out to British Columbia two years ago and stayed for five months. Ever since then I have had the wanderlust. I have become discontented with Scotland. If my health is good, I shall stay here all winter," she declared. Mrs. Rose is widow of a Scottish brick manufacturer.

Among the United States visitors noted in the registry book at the Douglas Hotel today were Mr. and Mrs. Everett Rice, Santa Barbara, California; Mr. and Mrs. Neil F. Marvin, Sacramento, California; Mrs. Ida M. Smith and Maxine, Mrs. J. M. Meredith, Mr. and Mrs. D. R. Thomas, Denver, Colorado; Mr. R. T. Walters and party, Whittier, California; Mr. G. S. AUTHORS IN  
SESSION HERE

Eastern Writers at Opening Meeting This Morning; Winnipeg Editor Speaks

L. E. Brownell, editor of The National Home Monthly magazine, Winnipeg, was the principal speaker at the opening meeting of the Victoria part of the National Canadian Authors' Association convention, speaking on common problems of authors and publishers.

About 100 writers from eastern points and here gathered at the open meeting, at which Rev. J. P. Hicks, manager of The Western Recorder, presided.

After a short welcome to visiting authors by Miss M. Eugenie Perry, Mrs. Piers of Halifax gave a humorous talk on the troubles of a poetry editor.

"Poets have contributed much to whatever place Canada may have in the literary firmament," said Mrs. Eva McCowan, Cranbrook, in a talk on authorship. She warned that unless young writers had sufficient courage to face heart-breaking rejections and criticism, they had better abandon the business for the good of all concerned.

Gordon Thompson, Toronto music publisher, addressed the meeting on the writing of lyrics, stressing the fact that more Canadian work was needed.

CANADIAN MUSIC

"Where is our Canadian music?" he asked. "Every state across the border has been immortalized in song, but what have we?" Canada was thinking only of the mechanism of her present radio system, and not of the product, Mr. Thompson said.

Mr. Brownell, in the main talk of the morning, said he believed the principal function of a general magazine was to entertain its readers, not necessarily instruct or uplift them.

He urged writers to study their market, to read magazines before submitting manuscripts to them. Editors generally preferred completed articles, ready to be printed, he said.

Speaking of his own magazine, he reported an increase in subscriptions in Toronto during the four years of its existence from 1,800 to 22,000, demonstrating how a western journal was pushing into the east.

This afternoon visitors and members of the Victoria and Islands branch of the association are the guests of Mr. and Mrs. R. P. Butchart at "Benvenuto." Visitors to the city are being taken over the Malahat Drive.

A reception at the home of Mr. and Mrs. Lloyd Morgan, "The Priory," Pemberton Road, will be held this evening, after an hour of music at the home of Mr. and Mrs. J. O. Cameron, at which the works of local composers will be presented by local artists.

At the last session of the Vancouver part of the convention, held yesterday, Dr. Pelham Edgar, Toronto, was re-elected president of the Canadian Authors' Association. Nellie McClung, Victoria, was named vice-president. Other officers named were B. K. Sandwell, Toronto, second vice-president; Howard Angus Kennedy, Montreal, secretary; Laurence J. Burpee, Ottawa, treasurer.

Tomorrow morning at 11 o'clock a poet's breakfast will be held at the Empress Hotel, open to all poets. Those intending to be present have been asked to inform Mrs. Myrtle Lane, E 9495.

Private funeral services for the late William Arthur Sadler, infant son of Mr. and Mrs. E. G. Sadler, 1272 Holloway Street, Saanich, were held this morning at 10 o'clock. Rev. T. R. Lancaster officiated and interment was in the Royal Oak Burial Park.

MARIANNE ADELAIDE DAY  
Mrs. Marianne Adelaide Day passed away this morning at the home of her nephew, Dr. W. D. Calvert, Sooke, aged ninety-five years. Mrs. Day was born in Suffolk, England, on December 29, 1840, and had been a resident of Sooke for the last twenty years.

Funeral services will be held at Holy Trinity Church, Sooke, on Monday morning at 10:30 o'clock. Rev. H. M. Bolton officiating. Interment will be in Saseen Cemetery.

ROBERT MATHESON

Impressive services for Robert Matheson, who passed away on Tuesday, were held yesterday afternoon at 2:30 o'clock. Rev. J. W. Churchill officiating. The hymns sung were "Nearer, My God, to Thee" and "Abide With Me." The remains were forwarded to Seattle for cremation.

THOMAS ARTHUR TURNER

The funeral of Thomas Arthur Turner, who passed away suddenly on Monday, took place yesterday afternoon in the presence of many friends. Rev. A. B. Owen conducted the service. One hymn was sung, "Lead, Kindly Light." The following acted as pallbearers: Ed Christopher, Albert H. Hill, J. B. Briggs, A. Calderwood, H. Hobson, Sydney Child, honorary pallbearer. The remains were laid at rest in Ross Bay Cemetery.

EVELYN JEAN SHERIFF

The funeral of Baby Evelyn Jean Sheriff, seven-day-old daughter of Mr. and Mrs. John A. Sheriff, 310 Menzies Street, who passed away Tuesday, took place yesterday afternoon. Beautiful flowers covered the casket and the services were conducted by Rev. E. W. Horton. The remains were laid at rest in Ross Bay Cemetery.

CHAS. W. A. E. IRELAND

A very large number of sympathizing friends attended funeral services yesterday afternoon for Charles W. A. Ireland of 837 Devonshire Road. Rev. A. E. de B. Owen conducted the impressive service during which one hymn "Abide With Me" was sung. Mrs. D. Beasley rendered as a solo, "God Shall Wipe Away All Tears." The many beautiful floral tributes received testified to the esteem with which the late Mr. Ireland was held.

The remains were laid to rest in the family plot at Ross Bay Cemetery and the service acted as pallbearers: H. Broughton, A. Murray, H. Hawes, C. R. Griffin, A. H. Dobson, and C. H. Millens.

Christian Science Students of Samuel Greenwood Coming Here

Christian Scientists from all parts of Canada and the United States, former students of Samuel Greenwood, C.F.D., famed teacher and writer of Christian Science in Victoria, will meet in annual convention at the Christian Science auditorium on Pandora Avenue, tomorrow.

The number of students coming here to pay homage to their former teacher, and to hear him again, is not definitely known, but hotels here report large advance bookings. Last year 300 to 400 attended the convention.

Mr. Greenwood conducts a summer school in Christian Science here every year. The Christian Scientists coming here are students who have attended these summer schools in previous years and belong to an association known as the Samuel Greenwood Students' Association.

The summer school is usually held during July and lasts for two weeks. The school this year has just ended and was attended by thirty students mostly from outside points. The convention will last for one day, and will include morning and afternoon sessions.

Mr. Greenwood is widely known among Christian Scientists as author of articles in the periodicals of the denomination.

## OAK BAY TAX RETURN GOOD

Better Financial Position Shown in Collections and Cash Statement

An improved financial position, with regard both to tax collections and to the balance sheet, for the six months ended June 30 was shown in reports submitted to the Oak Bay council at its session yesterday afternoon, and commented on by Councillor R. Angus, chairman of the municipal finance committee.

Current taxes for the half-year have been paid in much better than was anticipated, and are several thousand dollars in advance of the figure at the same date last year. However, payments of arrears were not quite up to anticipations.

Commenting on the returns following the meeting, Councillor Angus said: "They indicate better conditions. People are paying their current taxes earlier than in the last three or four years."

The municipality is releasing no figures in connection with the tax collections because several factors, including the fact that the last day of June fell on a Sunday last year, make an accurate comparison impossible.

The half-yearly cash statement submitted by the municipal treasurer showed a very good financial position, with more cash on hand than at the same date in 1935.

Expenses of the municipality had been pared during the course of the year, Councillor Angus explained, in line with the considerable reduction in assessments.

Accounts totaling \$13,247.62 for June were ordered paid by the council following submission by the finance committee. A large portion of this sum was accounted for by annual grants made by the municipality to various organizations.

## Footpaths Again Trouble Oak Bay

Horse That Left Footprints in New Tar and Boys Using Beach Drive Walk as Cycle Racing Track Bring Council Action

Sidewalks are once again troubling the municipality of Oak Bay. Last year there was the celebrated "East Side, West Side" debate as to just where the Beach Drive footpath should run. Yesterday afternoon it was horses and cyclists that were worrying the municipal council.

Horses came into the picture following damage to a newly tarred sidewalk by a boy who led his steed along it, and left indelible hoofprints in the surface. Apparently, the Streets By-law in its existing form applies to horses doing everything from a dignified walk to a full gallop on the sidewalks, but makes no provision for the case of an animal which is being led.

As a result, the Streets By-law is going to be opened for amendment, after five years of rest, and it is likely to get a thorough spring-cleaning at the same time. Municipal clerk R. F. Blandy will confer with Chief of Police John Syme as to other possible changes to bring the regulations into line with modern conditions.

The habit of the gay young bloods of Oak Bay of hurtling on their cycles along the completed portions of the Beach Drive path also came in for comment.

"The new footpath is developing into a cycle racing track," said Councillor W. Ellis.

The council decided by signs, police warnings and finally prosecutions, to discourage sidewalk cycling.

## Fire Contract Gets Approval

Oak Bay Will Immediately Request 1937-1938 Agreement From City

The Oak Bay Council yesterday afternoon accepted the City of Victoria's fire protection agreement for the year March 27, 1936 to March 27, 1937, and prepared immediately to request a similar agreement for the following year.

The terms of the contract, \$11,500 for the year, are the same as those decided on at a joint meeting of the Oak Bay council and a committee from the city council, except for the limitation of the protection to a single year. This limitation followed a motion by Alderman Archie Wills at a meeting of the city council.

The suggestion that the 1937-1938 agreement be requested from the city by the municipality within six weeks' time was made by Councillor Len Woodhouse after Reeve R. R. Taylor had said: "There should be a clause to carry on until a new agreement is made. At present, if there were a fire on March 28, next year, we should be without protection."

The council unanimously backed Councillor Woodhouse's motion.

## Beatty Speaks At Convocation

C.P.R. Head Addresses University of New Brunswick

Canadian Press Fredericton, N.B., July 17.—Belief better markets would be available for farm products, particularly Canadian wheat, and support of private competition as a stimulus to efficiency was voiced here yesterday by Sir Edward Beatty, president of the Canadian Pacific Railway.

Sir Edward spoke at a special convocation of the University of New Brunswick, held in conjunction with the annual convention of the Canadian Society of Technical Agriculturists. He was given an honorary degree of Doctor of Laws.

Sir Edward also voiced opposition to "a belief that people must accept a permanent tendency to increasing direction of men's life by the state." Necessary private endeavor through competition had a stimulus to efficiency, he declared.

"We are going through a phase of public extravagance which never would have occurred had people realized public authorities have no money except by direct or indirect taxation," the railway head declared.

## CAUSES OF DEPRESSION

Turning particularly to the members of the Canadian Society of Technical Agriculturists, Sir Edward said that in addition to advising farmers on purely technical questions, it was highly important that they find the real reasons for booms and depressions. At the same time he declared his belief that "planned economy" was unconvincing, and to him particularly unreal because it could not plan effectively for farmers, the largest and economically the most important group of producers.

Using wheat as an example, Sir Edward stated his opinion that over-production did not seem to exist. The trend of recent events confirmed him in this belief. He suggested that one of the outstanding reasons for any difficulties in selling wheat abroad has been the fact that wheat prices had fallen too rapidly in proportion to the prices of the goods and services for which that wheat was exchanged.

Police arrangements for the golf tournament July 26, 27, 28 and 29, were approved by the Oak Bay Council yesterday afternoon after submission of a report by Chief John Syme. Parking will be permitted on Beach Drive except for the portion which actually cuts across the Victoria Golf Club links. On that section two constables with motorcycles will keep the traffic moving. The provincial police will provide two men to look after the parking on other sections of Beach Drive and in the vicinity of the golf club.

## LUPO THE WOLF BACK IN JAIL

President Roosevelt Nullifies Commutation Made By Late President Harding

Canadian Press New York, July 17.—An amazing chapter in New York's criminal annals was vividly recalled today with announcement President Roosevelt had nullified a conditional commutation of sentence and "Lupo the Wolf" was back in the penitentiary at Atlanta, Georgia.

The fifty-nine-year-old convict was picked up at his home on a Presidential warrant and rushed to Atlanta, where he was locked up before any move could be made to have a warrant sworn out to free him. With a stroke of a pen the President had nullified a conditional commutation of sentence granted by the late President Harding in 1921.

Ignazio Salletta, better known as "Lupo the Wolf," is a brother-in-law of Gino Terranova, so-called "Artichoke King" ineffectively accused by police six years ago of having caused the murders of Frankie Uale and Frankie Marlow. He is a brother-in-law also of the Morello brothers, who, authorities claim, ran a famous "murder stable" in the years before they were both murdered themselves.

## HEADED RACKETEERS

A statement issued by District Attorney William Geoghan of Brooklyn yesterday stated Lupo took over Uale's racket after his murder in 1926 and recently had been interested in the Italian lotteries and the grape racket, and also had been the real head of the bakery racket through his control of several unions.

Geoghan had checked up a complaint that Lupo was pressing bakers because they had complained in 1933 about the bakery racket in Brooklyn.

His attention centred on the terms of the old conditional commutation.

Geoghan had tried to prosecute Lupo in 1935. A bakery owner complained he had tried to force her to give up her business to him, the District Attorney's statement said. When the case was called she refused to identify the accused. According to the Geoghan statement, she meanwhile had sold her business to Lupo for \$10,000.

## SERVED TEN YEARS

Lupo got his pardon after serving ten years on a counterfeiting charge when representations were made to the then President that it was "highly important" he be permitted to return to Italy for business reasons.

He was born near Palermo, Sicily, in 1877. In 1899 he allegedly killed a merchant, escaped prison in Italy and entered the United States illegally. In 1903 he was arrested for the murder of one Benedetto, but was discharged. He was subsequently questioned for a number of murders.

## FAKED DIVIDENDS

In 1909 it was discovered he had set up a counterfeiting plant, equipped with an arsenal of repeating rifles and set his men to making "dividends" to be distributed among stockholders of a building corporation that was not doing well. Convicted, he was sentenced to thirty years.

In 1927 Lupo built an elaborate house in Brooklyn. It was there he was arrested yesterday.

Governor Lehman of New York, in asking President Roosevelt to act on Geoghan's recommendation to cancel the commutation, said: "Of course I know you will agree with me that it is disgraceful that men of the type of Ignazio Lupo are permitted to carry on their pernicious activities for years and years."

President Roosevelt signed the order just before leaving on his present vacation.

Natives of Rhodesia have a custom of putting twins to death, but a mission station at Zimbabwe has rescued a number of these ill-fated children and is raising them.

## Growers' Fears Of Italy Calmed

No European Cherries Ever Brought Here; Okanagan Wires Ottawa

Fruitgrowers' fears of Italian flooding the market with sweet cherries were calmed today when wholesalers declared that European cherries were never brought so far west.

As no sweet cherries are exported, the city's demand taking up the total local production as fresh fruit, the situation caused by the lifting of sanctions against Italy, is not expected to have any effect on the island growers.

However, in the Okanagan, where over 200 tons of processed sweet cherries are shipped to the east each year, A. E. Loyd, president of the British Columbia Fruitgrowers' Association has telegraphed Hon. J. L. Tasey, Minister of Internal Revenue, pointing out the danger of the dumping of processed berries on the market.

He urged the minister to give protection to the Canadian growers and the processing industry through the medium of a dump duty if a crisis developed.

## LARGE NUMBER GOING NORTH

**Mrs. George Black and Senator A. D. McRae Sail Aboard Princess Louise**

Vancouver, July 17. — Another heavily-laden Alaska steamer is on its way to the Far North today, filled with tourists from all parts of the continent.

The Canadian Pacific's Princess Louise, Capt. Steve Gray, sailed Wednesday evening for Skagway and way ports. She had 210 passengers; practically a capacity load.

Among prominent passengers were Mrs. George Black, M.P.; and Senator A. D. McRae. Mrs. Black is returning to her beloved Yukon, from Skagway, while Senator McRae will disembark at Juneau for some hunting and fishing.

Other passengers were Wm. Schofield, Miss L. Wyatt, Miss J. Sutherland, J. Milne and J. Carson of Vancouver; Mr. and Mrs. R. Sprague, Portland; Mrs. Elizabeth Green, house mother of the Delta Gamma fraternity, Moscow, Idaho; Mr. and Mrs. H. C. Richardson, Miss Diane and Master Dick Richardson, Lillian V. Bourne, Florence Metzger, Frances Fisher and Mr. and Mrs. Joe R. Brogan, Los Angeles.

## Business Men Charter Plane

**Pilot Maurice McGregor Flies Parties to West Coast and Rivers Inlet**

The urge to travel by air is growing daily and planes operated in the northwest by the Canadian Airways are filled to capacity practically every trip.

In addition to the regular flights, the planes are busy on charter trips to the north and other isolated parts of the province. Business men are evidently realizing more and more that they save much valuable time by using the air routes.

Maurice McGregor, Victoria pilot on the local air run, returned yesterday from a flight to Rivers Inlet with a party of cannery executives, called north by the strike situation. McGregor's plane left Rivers Inlet yesterday morning at 4:30 o'clock and stopped at Alert Bay for gasoline and reached Vancouver at 8:30 o'clock. By 10 o'clock McGregor was in Victoria on the regular run. Rivers Inlet is a last week-end Pilot McGregor flew two Vancouver mining men to a point on the West Coast of Vancouver Island, not far from Cape CeeCee. He left them there and returned Monday and flew them back to Vancouver.

## VANCOUVER SHIPPING

Vancouver, July 17. — The Swedish motorship Boren has left for Powell River to complete loading a British Columbia cargo totaling 4,500 tons for Australia. Included in the cargo is 2,900,000 feet of lumber.

St. Wyoming of the French Line is due here Saturday with passengers and freight from Europe. She will sail again on Monday.

St. Prince David will arrive here July 24 from New York with 325 passengers on a fifty-eight-day cruise. The ship, owned by Canadian National Steamships Ltd., is under charter to National Tour of New York.

St. Imperial Monarch of the Ocean Transport Co. is due here on July 31 to load for Japan.

A total of 39,000 pounds of halibut was sold on the Vancouver Fish Exchange yesterday. 7,200 pounds of chicken at 6.1 to 6.5 cents per pound, 30,500 medium at 7 to 7.1 and 1,300 large at 6.

## DIVIDEND DECLARED

Simpsons Limited preferred \$1 per share, payable August 1 to stockholders of record July 22.

## New Picture at the Atlas

A scene from "The Forbidden Territory" with Gregory Ratoff and Binnie Barnes, now showing at the Atlas Theatre.

## Korda Picture Here Tomorrow

Written by H. G. Wells, Britain's most eminent novelist, and produced by Alexander Korda, "Things to Come" is the most ambitious picture ever made by a British company. Conceived on a grandiose scale, the filming of this immense theme was only made possible by the ingenuity of first class technicians. It will open at the Capitol Theatre tomorrow.

The story, which was adapted by the author from his book, "The Shape of Things to Come," opens in "Everytown," a prosperous, pleasure-loving city. The population, blindly ignoring signs of impending war, are celebrating Christmas. John Cabal, an aviator, is one of the few to foresee the tragedy overshadowing them. Without warning, hostilities break out and Everytown is reduced to ruins. Pestilence and famine sweep the world. Civilization gives way to barbarism. Sporadic fighting is carried on by men armed with primitive weapons under the command of various bosses.

## Mail Damaged By Shipwreck

Dawson, Y.T., July 17. — Mail from the steamer Casca, which sank at Rink Rapids in the Yukon River on July 9, arrived here yesterday badly damaged by water and salt.

Labels on hundreds of parcels were lost and it is impossible to determine addresses.

It is estimated thirty sacks of first and second-class mail floated away after the accident and have not been recovered.

Authorities advise that letters and parcels thought to have been on the last trip of the Casca be duplicated by the senders.

## SHRINE PARTY ORIENT BOUND

Again tomorrow Victoria will be invaded by a party of Shriners. This time, however, they will be on their way to the Orient aboard the American Mail liner President Grant.

In 1914 Nile Temple of the Shrine originated ceremonial pilgrimages to the Orient. This will be the sixth time a party will go across the Pacific under Nile Temple auspices. Some of the Shriners will make the round-trip on the President Grant, but others will stop over in China to visit Peking and the Great Wall and will return two weeks later by the President Jefferson.

The President Grant will arrive at the Outer Docks tomorrow afternoon from Seattle at 4 o'clock, and will have two hours here before putting to sea, en route to Yokohama, the first port-of-call in the Orient.

## FINE OFFERING ON SHOW BOAT

**Gladys Mavius and Her Pierrots Will Be Presented This Evening**

Miss Gladys Mavius, whose inimitable comedy offerings have made such a big success for her Pierrots, will present twenty talented members of her Royal English Show Boat Pierrots in two hours of entertainment tonight.

One of the highlights will be Doug and Betty's novel rendering of "A Beautiful Lady in Blue."

Gladys Mavius will render three numbers, new to Victoria, but made popular by her last winter on the London stages.

The Tourist Association reports that tonight's programme will be entirely new from the opening chorus to the finale, with no repetition of numbers already presented other than the troupe's well-known theme song, "Summer Days are Here Again."

The show will start promptly at 8 o'clock.

## PLAZA THEATRE

Margaret Lindsay, one of Hollywood's most popular actresses, has the leading role in "Dangerous," which is now the feature attraction at the Plaza Theatre.

Margaret Lindsay is not the only star in this excellent picture. Franchot Tone has the masculine, while Betty Davis is also brilliantly cast.

"Dangerous" is a dramatic story of a beautiful and brilliant actress who wrecks the lives of those she contacts, as well as her own.

Others in the cast are Dick Foran, John Eldredge, Alison Skipworth, Walter Walker and Richard Carle.

## OAK BAY THEATRE

"A Midsummer Night's Dream," now showing at the Oak Bay Theatre, is said to be the ultimate in spectacular grandeur, while at the same time, its comedy and romance are as

## In Second Feature At Dominion

Mary Boland and Charlie Ruggles are the stars in the comedy "Early to Bed," which is the second feature now at the Dominion Theatre.

## Dominion Shows Thrill Picture

"Border Flight" Portrays Many Gripping Adventures of the Coastguard

The staccato rattle of machine gun fire, the roar and whine of speeding planes "dog-fighting" high above the Pacific, and thrilling hand-to-hand battling of guardmen and smugglers run through "Border Flight," which opens today at the Dominion Theatre.

The film tells a dramatic tale of high adventure and dangerous missions of the United States Coastguard air corps. Officers of the air corps aided in the filming. The crackup of two planes and the pancake landing of a third which has lost its landing gear add to thrills of the story.

Two members of the corps, John Howard and Grant Withers, become rivals for the attentions of the same girl, Frances Farmer. In the course of the story, one is discharged from the service and joins a band of fur smugglers with which it has been fighting.

Also being shown in the second feature are Mary Boland and Charlie Ruggles in "Early to Bed."

As a result, he almost interrupted his work in "King Solomon of Broadway," but didn't quite, because

Pinky Tomlin, supporting him, was busy playing the guitar and singing between scenes. Lowe, Tomlin, Dorothy Page and Louise Henry all play major parts in the production.

Largest Number of Entrants in Many Years to Race From Puget Sound to Nanaimo; Dawn Is Lone Victoria Entry

Associated Press

Seattle, July 17.—Skippers of northwest yachts tuned up their motors today for the start tonight of the 125-mile international cruiser race to the Seattle Yacht Club to Nanaimo.

The number of entrants was the largest since the first race was held in 1928, from Olympia to Juneau, Alaska.

Boats will leave from 7 p.m. to the early morning hours, the slower boats casting off first.

The boat arriving at Nanaimo at 4 p.m. Saturday, after having sailed a steady course, will be the victor.

Six United States coastguard boats took their stations on the course today and will be aided in Canadian waters by Canadian government vessels.

Two Canadian navy ships, the Skeena and the Vancouver, will accompany the yachts as a gesture of goodwill by Canada.

Entrants in the race, and their owners, include:

Bellingham Yacht Club—Siah, H. T. Lewis; Glorianna, R. C. Hilliard.

Bremerton Yacht Club—Ina Jane, C. S. Adams; Stubby, C. J. Hillberg.

Rose Marie, Floyd H. Phillips; Comet, Edward Werner.

Everett Yacht Club—Phantom, Arthur J. Humphries; Suzanne, Don Lee; Ell Dorann, Bennett Baldy.

Reverie, Franklin Lock; Bambu, J. M. Myers; Sinnamox, Jess Simpson; Miramar, L. Stubbard; Kaleta, Howard S. Wright.

Longview Yacht Club—Bobak II, Robert S. Wertheimer.

Nanaimo Yacht Club—Billy Bob, W. J. Allen; Don-Aida, C. B. Smith.

Olympia Yacht Club—Chalice, Charles D. Boynton; Yitta, Mel Chitty; Christine G. Arno P. Olden.

Sararar, W. B. McDonald; Panamas, Ernest Mallory; Suca, F. E. Mathias.

Lady Luck, Herndon Mary; Vendora, Arthur St. John; Speck, Joe Speckhart.

Portland Yacht Club—Phantom, Dr. W. Haworth.

Royal Vancouver Yacht Club—Deirdre, Edward L. Bonadac; Saron, John S. Hale; Invader, J. B. Hoffer; Gerald C. Basil H. Rae; Maureen, J. W. Wilkinson.

Tacoma Yacht Club—Jackstell, J. B. Abney Jr.; Fellowship, Paul Billings; Betty B., B. Bradley; Arros R. C. Carlson and F. G. Carmelita.
